### Reminders:

- **Spouses with F-2 visa status are not permitted to work under any circumstances.** Spouses may apply for work permission only if they have J-2 visa status.

- **You are responsible for all costs.** Students are ultimately responsible for securing all financial resources. In the event that a private sponsor, government agency or other funding source is delinquent with financial support, the student is held responsible. Registration may be blocked and housing contracts, transcripts, diplomas, and I-20s or DS-2019s are not issued for individuals who owe money to the University of Idaho.

- **To get a visa and/or enter the U.S.** Keep copies of all documents you submit as evidence of financial responsibility because you may need to present that documentation to the U.S. Embassy or Consulate official when you apply for your visa. An immigration official may also require documentation when you enter the U.S. It is wise to include documentation of your financial plan for the full length of your academic program.
