This is a checklist of information and documents needed to process an H-1B petition. If the employee is in the U.S. during the process or needs an extension of the current H-1B status, see page 2 for additional required documents.

Getting Started:

☐ Supplemental Export Control Certification for Form I-129 (NEW as of 2/20/2011)
  Required before the H-1B Petition (I-129) can be submitted to USCIS. Attached to your email with this checklist is a 5-page document that must be reviewed, the questionnaire completed, and the documents signed and sent to the appropriate offices. Please follow the directions carefully as this is a very important step of the H-1B process and could cause significant delays in the processing of the H-1B if steps are missed. For questions regarding Export Control Certification, please contact UI’s Export Control Analyst, Sunil Ramalingam at sramalingam@uidaho.edu.

☐ H-1B Request Form
  See: http://www.webs.uidaho.edu/ipo/intlscholars/documents/h1b_request_form.pdf
  - Send completed and signed H-1B Request form to Tammi Johnson, IPO.
  - Signatures of Dept. Chair and College Dean or other authorized signatories are required.
  - Sections 1 & 2 must be completed by the Foreign Employee (or the AAC, college, or unit must provide all information required to complete the request form).
  - Section 3 must be completed by the employing unit.

☐ Department of Labor Condition Application (LCA) and Certification
  Certification of the LCA by the Department of Labor is required before the H-1B petition can be started. (The LCA was imposed by the 1990 Immigration Act to ensure that US wages are not depressed by the hiring of foreign labor and that foreign workers are not exploited)
  - The process takes approximately 7-21 days after IPO receives the H-1B Request form, copies of the advertisement of the position and the ROJD, and position contract. All critical information -- dates of employment, wages, position description and qualifications -- must be provided.
  - The LCA is required for all H-1B petitions.
  - Copies of the advertisement and ROJD are required for new hires or amended positions.

☐ Filing Fees
  Determine filing fees needed. See below for fees and let Tammi know if the petition needs to be expedited.
  ✓ Petition filing fee: $325.00 – Necessary for all H-1B petitions, including extensions.
  ✓ “Anti-fraud fee”: $500.00 - Necessary for all new H-1B petitions including change of employer. Not required for H-1B Extension petitions or Amended petitions.
  ✓ Premium Processing Fee: $1,225 - This will guarantee an answer (not a guarantee of approval) within 15 business days. Usually not necessary with an H-1B Extension petition unless travel is required.

Unless otherwise required by the unit, Tammi will process a claim voucher (CV) for the unit and will fax a copy to the contact person immediately for budgetary records. A budget number and 3-digit ORG number (roll-up code) is required in order to process the CV. PLEASE NOTE: This budget number will be used for petition fees and FedEx expenses to ship to the USCIS California
**Service Center (as per page 3 of the H-1B Visa Request Form).** If the department processes the CV, then see page 4 of this form for template of CV.
