NOTES:
1) Students may not enroll for Arch 253 until being admitted into the pre-professional program. Notification of admission will be made by e-mail no later than July 1. In order to satisfy financial aid requirements for full-time status, it is recommended that you enroll in at least 12 credits, and adjust enrollment upon admission to the program.

2) Students are required to have their own computers in the studio starting with the second year of pre-professional program. Check the University Catalog for current costs related to Architecture.
