Access Library Materials

To log-in to most library resources from off-campus, you will need to enter your Net ID at the prompt (Vandal Email address and password). If you don't know your Net ID, please contact ITS at https://help.uidaho.edu/, helpdesk@uidaho.edu, or 208-885-HELP. Net ID will be used for the following resources:
- Off-Campus Access to Databases (Articles)
- Off-Campus Access to Ebooks
- Requests from other Summit Libraries

For Interlibrary Loan Requests, a library barcode number is still needed. If you do not have a Vandal Card, please call 208-885-6843 or email libill@uidaho.edu to receive a barcode number.

If you have questions, please contact the Reference Desk with any questions at 208-885-6584, libref@uidaho.edu, or via chat at http://www.lib.uidaho.edu!
