FARM BUSINESS MANAGEMENT CAREER DEVELOPMENT EVENT

Purpose:

To provide a competition that fosters information assimilation, critical thinking, and problem-solving skills necessary to successfully manage a farm or pursue a farm business management career. The event enhances and encourages opportunities for all participants to receive instruction that develops farm business management skills.

Objectives:

The event objectives are for participants to demonstrate their ability to:

- Analyze farm/ranch business management information.
- Apply economic principles and concepts of farm business management to the decision-making process.

General rules:

1. It is required that participants wear FFA Official Dress for this event.

2. The event will take place at the State FFA Leadership Conference.

3. Four participants will constitute an official team. The top three individual scores will be used in the team score tabulation.

4. Two hours will be given to participants to complete the Farm Business Management event.

5. General management areas considered may include:

   - Financial statements
   - Sources of credit
   - Net worth statements
   - Cash flow
   - Solvency ratio
   - Depreciation
   - Types of leases
   - Partial budgeting
   - Records and record keeping
   - Calculating loan costs
   - Obtaining credit
   - Types of interest
   - Fixed and variable costs

6. Participants should bring a battery-powered calculator (non-programmable), extra pages of clean work paper and several pencils.

7. Participants in need of special accommodations (disability or other health issues) must submit the Idaho State FFA Career Development Events Request for Special Accommodation Application found at the end of the General Rules and Regulations at least one month prior to the event.
Awards:

Awards are presented to teams as well as individuals based upon their rankings. The top 10 teams and individuals will be recognized. Individuals from 1st through 5th place will receive medals. Teams from 1st through 5th place will receive plaques.

Format and scoring:

1. 50 multiple-choice questions pertaining to general management areas. (Two points each for 100 points total)

2. Three practical management problems. (30 points each for 90 points total)
