

## Lionel Hampton Jazz Festival 50th Anniversary

February 23-25, 2017

University of Idaho.

Dear Director, special arrangements have been made for Musical Images to come to the "Lionel Hampton Jazz Festival" and photograph all participating groups.

Each Director will receive one FREE 8"x12" Photograph of their group.

Our services are provided to add to the dynamics of your festival and to create lasting memories for band and choirs members. Pictures will be taken in a manner that will not interfere with the days' activities, but we ask that you inform your members of this opportunity so that they can prepare for their photo and look their very best.

Two photos are taken of each group, one "formal" shot and one "fun" shot. The price is \$25.00 per photo, payable by check, cash or credit card. The photos will be printed and available for purchase right after they have been taken.
