**PROGRAM INFORMATION**

The University of Idaho Outdoor Program is a non-profit service organization providing the university community with education and resources for wilderness-based, human-powered and environmentally sound activities. We promote teamwork, leadership and growth through outdoor adventure experiences.

The Outdoor Program offers a wide variety of services and activities to the University community:

- **Instructional Trips**
- **Cooperative Trips**
- **Rental Equipment**
- **Outdoor Information**
- **Resource Material**
- **Trip Planning Assistance**
- **Equipment Repair**
- **Ski & Snowboard Tuning**

Cooperative trips are cost sharing. Participants supply their own food and own personal equipment through rental or purchase. Required pre-trip meetings are held to work out trip details. Listed fees are for transportation, group gear and instruction (if provided).

**HOW TO PARTICIPATE**

Registration for trips is taken in person at the Outdoor Program office located in the Student Recreation Center (SRC). Each posted trip lists specific information for that trip. Required pre-trip planning meetings are also indicated. Transportation and group equipment costs will be charged upon sign-up. Fees are non-refundable. Non-University of Idaho students may be charged an additional fee, which will be listed on sign-up sheets. Other activities are free or will have a cost listed.

**FOR MORE INFORMATION**

Sign-ups for trips and classes begin on August 21 at the Outdoor Program office in the SRC. Fees are due at sign-up and are non-refundable. Pre-trip meetings are held in the SRC.

**Stop By The Outdoor Program Office**
