Statement of Purpose
The University of Idaho recognizes the importance of the arts on campus and within the local community. Arts grants are provided to defray costs related to originating, producing, and presenting creative projects. Funds may also be used to defray cost associated with educational opportunities in the arts. Students, faculty members, and academic units are all eligible for arts grants.

Application Instructions
The application consists of a coversheet, project narrative, budget, facilities approval form (if applicable) and letter of commitment from guest artist(s) (if both applicable and possible at this time). Please complete the cover page and sign and date it. Please attach answers to the project narrative questions as a Word document or PDF. You must use the budget form included in this application, although you are welcome to add supplementary materials. To ensure consistency of evaluation, please use the format provided. Incomplete applications or applications that do not use the correct format will be returned without review. For questions regarding the application, please email uiarts@uidaho.edu.

Submission Deadline
Completed applications are due no later than 5:00 PM on April 29, 2016. Please email your completed application packet to uiarts@uidaho.edu.

Final Report Requirement
Successful applicants agree to provide a final report to the Provost’s Office by May 1, 2017. The last page of this application lists full requirements.

Artist Selection
If a professional or guest artist(s) is paid using Art Fee Grant funding, applicants must indicate in the project narrative what criteria were used/will be used to select the artist(s).

Facilities Approval
If your project involves the installation of a temporary or permanent artwork at the University of Idaho, you need to obtain approval from facilities prior to submitting this application. Approval may be obtained by completing the Facilities Approval Form. Please attach this completed form to your Art Fee Grant Application.

Evaluation Criteria
Applications will be scored according to the following criteria:

- **Feasibility** (addresses all steps needed to make this project a reality and provides a detailed and logical budget to support the work)
- **Innovation** (demonstrates the project’s ability to further the arts in new ways, or to support minority/underrepresented groups’ participation in the arts or in arts appreciation, or both)
- **Educational potential** (states clear goals for the project and indicates explicitly how these will contribute toward two or more of the Learning Outcomes listed below)
- **Student Involvement** (explains in detail the role UI students will play as participants, or as audience members, or both; preference is given to projects that involve students directly)
- **Community Involvement** (explains in detail the ways the project will involve community members, whether directly as participants, indirectly as audience members, or both)
- **Project’s overall impact** (demonstrates convincingly that the project will have an important and powerful impact on the student population and the region the university serves)
