A Word From Our Pro

Well it looks like summer is finally here! The forecast is looking good. Remember to stay hydrated and use your sun screen. Be aware of the heat index in the afternoon, if you’re feeling a little out of shape, it may be wise to take a cart. The heat can put a lot of stress on the body. I would like to thank all of those who supported the Lions Club annual tournament. It was a pleasure to see both Chip and Michael Hunter with us for the event. We are continuing to work on course improvements the Hunter family helped us initiate. We hope to have the new black tee box on hole number 15 open this month. The new tee box will increase its length by 45 yards to 395 yards.

I would also like to acknowledge our loss and express my condolences for the unexpected passing of Kim Farbo. She was a long time employee at the UI, ardent golfer and member of the UIGC and a contributing member of the Lions Club. We would like to extend our heartfelt support for John Farbo and family as they navigate this difficult time.

Doug Tyler, PGA
Director of Golf, University of Idaho Golf Course

From the Golf Shop
