TO: MEMBERS OF THE UNIVERSITY OF IDAHO FACULTY

The items listed below, approved by the University Curriculum Committee, will be considered to have the necessary faculty approvals unless a petition requesting further consideration of specific items is signed by five faculty members and submitted to the chair of the Faculty Senate within 14 calendar days after the date of circulation. If no petition is received within 14 days, the entire report will be submitted to the president for approval and transmittal to the regents, if regents’ action is required. If a petition is received, the items in the report for which further consideration is requested will be referred to the Faculty Senate and the remainder of the report will move forward. On items referred to it, the council may: (1) affirm the action and report it to a meeting of the university faculty, (2) amend the action and report it to a meeting of the university faculty, or (3) rescind the action. Note: If a petition concerns courses or curricula in the College of Letters, Arts and Social Sciences or in the College of Agricultural and Life Sciences, and is signed by five faculty members of the respective college, those items will be returned to the college concerned for further consideration.

All Items below are considered effective Summer 2017 unless otherwise noted with the approved item.

AGRICULTURAL AND EXTENSION EDUCATION

- BUS 355 Systems Analysis & Administration 3 cr
- BUS 452 Business Telecommunications Management 3 cr
- BUS 453 Database Design 3 cr
- BUS 454 Issues in Information Systems 3 cr

Restricted IS Electives: at least two additional courses from the following (96 cr):
- CS 120 Computer Science I 4 cr
- GEOG 385 GIS Primer 3 cr
- GEOG 390 Cartographic Design & Geovisualization 3 cr
- CBE 400-Level course offered by the College of Business and Economics 3 cr
- CS Upper-Division Computer Science Course 1-4 cr
- Non-CBE Upper-Division Elective or CS 210 or CS 240 or CS 270 3 cr

Additional BUS 390 may be used with approval of IS area coordinator.

Courses to total 120 credits for this degree.

In addition to all other requirements, students must take at least 9 credits from outside the CBE in addition to those specifically required. These may be chosen from the restricted electives or from other courses.

COLLEGE OF BUSINESS AND ECONOMICS
1. Make the following changes to the General College Requirements for Graduation:

   University Requirements. See regulation J-3 for requirements that all students in the university must meet.

   College Requirements. Before proceeding to upper-division work, students majoring in the College of Business and Economics (CBE) must have junior standing and have good academic standing.
Undergraduate students enrolled as majors in the College of Business and Economics may not take any course required for the major on a pass/fail basis, with the exception of those courses offered only on a P/F basis.

Courses completed at a two-year college for transfer into the CBE core or major must be validated before they will be accepted for upper-division course requirements. Validation procedures are established by the faculty members of the CBE department offering these courses. Validation techniques include a proficiency examination, CLEP testing, or successful completion of an additional advanced course in the given field.

Candidates for the B.S.Bus. degree must be accepted officially as majors in the College of Business and Economics for at least their last two semesters before graduation, excluding summer sessions, and complete at least the last 24 credit hours applicable toward their degree during this period.

At least 27 upper division College of Business and Economics credits applied to a B.S. Bus. Degree must be earned in residence on the University of Idaho campus. In addition, at least 12 upper division credit hours of the course requirement in the major must be earned on the UI campus.

All majors require the completion of at least 120 credit hours with the exception of the Marketing, PGA Golf Management Option Major which requires completion of at least 128 credit hours. The required program of study includes: (A) 54-57 credit hours in the CBE Common Requirements, and (B) the major-specific required credit hours in the selected CBE major field. Additional undesignated electives are included in the 120 required credit hours (or 128 required credit hours in the case of the Marketing, PGA Golf Management Option major).

**CURRICULUM AND INSTRUCTION**

1. Reactivate the following course:

   **CTE 470 Technical Competence (1-32 cr, max 32)**
   Technical competence is gained from occupational credentials or passing of competency exams related to the bachelor of science degree in PTE education or technology. Grades for successful completion of CTE 470 will be transcripted as P (pass) normally during the student's last semester and completion of all degree requirements.

2. Change the following courses:

   **CTE 420 Evaluation in Professional-Technical Education Assessment in Contextual Learning Environments (3 cr)**

SOCIOLOGY AND ANTHROPOLOGY
1. Add the following course:

   Soc 130 Introduction to Criminology (3 cr)
   This course provides a general introduction to the study of crime, deviance, and crime control. Course material will cover crime measurement, patterns, and trends as well as major theoretical explanations for crime. Criminal justice institutions such as police, courts, and corrections will be considered along with specific topics as they relate to criminology. These topics include social deviance, violence, white collar crime, terrorism, vice, drug use, organized crime, mental health issues, racial inequalities, women and crime, and the depiction of crime in popular media and culture. Specific crime control policies are also considered.

2. Change the following course

   Soc 340 Social Change & Globalization (3 cr)
   Gen Ed: Social Science, International
   Social change is a central area of study in sociology. Original studies tried to explain the reason for, and impact of, the Industrial Revolution in the 19th century. Globalization is among the key social phenomena instructing contemporary discussions in social change. This course introduces students to various discussions of social change, from the Industrial Revolution to Globalization. Through case study analysis, Globalization will be explored in examining the increased role of international organizations (such as, the IMF, World Bank, WTO, and OECD) in globalizing capital markets and trade; the social and psychological conditions of conflict (such as the state of war in the contemporary landscape, genocide, and impoverishment); and the role of diversity (social and environmental) in proposing alternatives to globalization. Recommended Preparation: Soc 230.
   Prereq: Soc 101

THEATRE ARTS
1. Change the following courses:

   The 201 Scene Design I (3 cr)
   An exploration of the process of scene design for the stage and the entertainment industry. It includes the development of basic skills in visualization, period research, graphic techniques, and script interpretation in scenery.

   The 597 (s) Practicum (cr arr)
   This course is an experiential learning course supervised by theatre faculty to provide the student with a practical application of theatrical theory.
WOMEN'S STUDIES

1. Change the following courses:

WmSt 201 Introduction to Women's and Gender Studies (3 cr)
Gen Ed: Humanities, American Diversity
Survey of and introduction to the study of women's lives; thematic examination of the diversity of women's experiences in families, at work, with the law, in health care, in literature, in the media, in language; exploration of differences and similarities, including ethnicity, gender, sexuality, class, and age.
