

# F&A Rate Determination

Step 1: Is the sponsor limiting the F&A?

YES

Use the sponsor limited rate.

NO

Step 2: Is the Sponsor industry or a State of Idaho Agency?

Idaho

Use State of Idaho Rate of 20%

Industry

Use Industry rates and Continue to Step 3.

No to Both.

Step 3: Identify the Project Type: Organized Research, Instruction, Other Sponsored Activity

Step 4: Determine Project Location. On campus is the default location unless one of the following applies: Agricultural and Forestry Experiment Station or Off Campus.

Step 5: Determine Calculation Method: \*Total Direct Cost (TDC), Modified Total Cost, or \*Total Project Costs

Now you have determined your F&A Rate. Use the link below for up to date rates and additional info.

[F&A Rates](#)

Tip: check the RFP to ensure another method isn't required.

\*Calculate using the MTDC method at the UI appropriate rate and choose the lesser of the two.
