International Student Scholarship

Review eligibility requirements and apply for this scholarship through iVandal at www.ivandal.uidaho.edu – *Departmental Services/Scholarship Applications*

Established in 1993, the International Programs Office has been raising funds and accepting donations to continue to build an endowment from which the interest is awarded each year for international student scholarships.

The International Student Scholarship is awarded to one or two students each year from these funds that have accrued through this endowment fund.

A committee composed of International Programs staff will review the applications and announce the recipient at the Awards Ceremony on Friday night of UI Mom's Weekend in April (date changes yearly)
