

J-1 Visitor Exchange Program REQUEST TO SPONSOR A J-1 EXCHANGE VISITOR

This is a request to sponsor the foreign national below to participate in, or extend participation in a J-1 program at the UI. If found eligible for a J-1 program, the International Student, Scholar, and Faculty Services (ISSFS) advisor from International Programs will issue a J-1 Form DS-2019 to the named foreign national and a J-2 Form DS-2019 to qualifying dependents. The Form DS-2019 is generated through the Student and Exchange Visitor Information System (SEVIS) by a U.S. Department of Homeland Security designated Responsible Officer (who also the ISSFS Advisor).

Upon receipt of this request form, please allow at least three(3) business days for the Form DS-2019, as the request may require review and authorization by other UI offices. The completed packet may be picked up by a representative from the requesting department, forwarded via campus mail or sent directly to the J-1 Visitor by FedEx (see page 4).

The purpose of this form is to request that UI:

Sponsor a new J-1 visitor to come to UI from abroad (or to change status in the U.S.)

Extend a current program of J-1 visitor at the UI

If the scholar has received a letter from U.S. Department of State granting a waiver of the Home Residency Requirement [212(e)], no extension is possible.

Transfer a current J-1 visitor to a UI program from another institution's J-1 program.

The DS-2019 will be issued once the visitor has an address in Idaho and checks in with ISSFS.
