

Library Science Flow Chart

Have you reviewed the [library science sequence of classes](#) and will you be following this starting at step #1?

Yes

No; I am requesting an exception to following the sequence of classes

Is this for graduate credit?

Please submit an explanation of your request, a transcript, a completed Library Science Course Equivalency excel worksheet with number, title and description of course equivalencies that meet prerequisites, syllabi for all courses listed on the excel sheet and CV or resume to indepst@uidaho.edu

Yes; instructor permission is required. Contact indepst@uidaho.edu with cv/resume, list of when and where you received your undergraduate degree, and outline of teaching experience

No; sign up for your library science class at any time. To ensure you are meeting prerequisites, please review the [library science sequence of classes](#).

ALL 500 level courses need permission from instructor
