Dear prospective ISI student,

Thank you for contacting Independent Study in Idaho (ISI). We are glad you have chosen to continue your education. ISI was created in 1973 by the Idaho State Board of Education as a cooperative of four regionally accredited Idaho institutions led by the University of Idaho. **Independent Study in Idaho does not grant degrees, but credits earned through ISI may be applied to degree requirements at most colleges and universities.**

Although ISI courses typically are offered online, we have adapted certain courses to be taken by mail by incarcerated students. We mail a record of a student’s progress in a course to the student on a bi-monthly basis. A list of available courses for incarcerated students is included in this packet.

Students may enroll at any time and work at their own pace within limits set by the course instructor on the number of assignments that can be submitted per week. Enrollment is for up to one year; however, plan for a minimum of three months to complete most ISI courses. Idaho residency is not required. Admission to cooperating institutions is neither required nor provided. **You may use the included Course Registration form to enroll in ISI courses.**

Independent Study in Idaho does not offer financial aid or funding to students and ISI courses are not currently eligible for federal pell grants; however, ISI’s per-credit fees are reasonable. **Undergraduate courses (100-400 level) are $160 per credit plus a $30 non-refundable administrative fee per course, e.g., for a three-credit course, fees total $510.00. Payment in full of the exact correct amount is required at the time of registration; ISI cannot process incorrect payment amounts.**

**Registration fees do not include textbooks or software.** Students can purchase course materials from any available retailers; **ISI does not sell textbooks or other course materials.**

Some courses require a proctor for exams. The Education Officer at your facility may be available to supervise your exams. **A Proctor/Exam Request form is included at the end of this packet.**

Although Independent Study in Idaho does not participate in the program, we encourage you to explore the Second Chance Pell Grant program for incarcerated students. If you qualify to use the GI Bill, please contact the University of Idaho’s Military and Veteran Advisor, Matthew Barber, at the following address:

Matthew Barber  
Veterans Administrative Coordinator  
875 Perimeter Drive, MS 2431  
Moscow, ID 83844-2431  
Phone: (208) 885-7989  
Email: mjbarber@uidaho.edu

If you have any questions, please contact the ISI office using the contact information found at the top of the page.

Sincerely,

*Independent Study in Idaho Staff*
While some of the courses listed below "require Internet access" or other computer access, instructors of those classes have made an exception for incarcerated students. Incarcerated students can word process/handwrite assignments and submit them by mail or have another person email the completed lessons to Independent Study in Idaho.

The following courses are AVAILABLE for incarcerated student enrollment: *See note below

ENGLISH
ENGL 101: WRITING AND RHETORIC I
Workshop on strategies for generating ideas for writing, for planning and organizing material, and for revising and editing; intended to prepare students for the demands of college writing, focusing on reading critically and incorporating source material. Graded P (pass)/N (repeat)/F (fail). UI students: general education credit - English. Corequisite: students with ACT Scores 1-17, SAT verbal scores 200-440, COMPASS scores 1-67, or no standardized test scores must concurrently enroll in Engl 090 [Developmental Writing]. See Class Placement at www.uidaho.edu/registrar/registration/placement/.
Assignments: 13 graded, Exams: None
May submit up to 2 assignments per week.

ENGL 102: WRITING AND RHETORIC II
A continuation of ENGL 101 with an emphasis on general research techniques with applications to various academic disciplines. Successful students will be able to: 1. Continue to demonstrate competency in the course outcomes for ENGL 101; 2. Locate, identify, and participate in academic discourse; 3. Read critically, synthesize, and evaluate information; 4. Use a variety of research tools (databases, indexes, the Internet, etc.) to locate appropriate information sources (if you are unable to locate sufficient resource materials at your facility please contact Independent Study in Idaho); 5. Develop a focused research topic or project; 6. Conduct a review of the literature for a specific topic; 7. Understand what constitutes evidence in a particular discipline; 8. Use valid evidence to support claims; 9. Understand and use APA and MLA formats for organizing and documenting multiple source papers; 10. Understand and demonstrate the ethical responsibility of the research writer to explore multiple perspectives on a topic and to cite sources and report findings accurately. Writing integrated.
Mandatory Prerequisite: grade of “C” or better in ENGL 101 or satisfactory placement score.
Assignments: 16 graded, Exam: 1 proctored
May submit up to 1 assignment per week.
ENGLISH CONT.

**ENGL 175: LITERATURE AND IDEAS**
An introduction to reading and understanding world literature. Literary study as a method of thinking critically about historical and contemporary aspects of the human condition. Writing integrated. Pre-requisite: ENG L101 or ENG L109 [College Writing and Research].
Assignments: 14 graded, Exams: 1 proctored

May submit up to 3 assignments at a time/6 per week.

**HIST 112: UNITED STATES HISTORY II [1877 to PRESENT]**
Political, diplomatic, economic, social, and cultural history; earliest times to the present, 1877 to present. UI students: general education credit - Social Science, American Diversity.
Assignments: 17 graded, Exams: 3 proctored
May submit up to 3 assignments at a time/6 per week.

**HIST 180: INTRODUCTION TO EAST ASIAN HISTORY**
Assignments: 12 graded, Exams: 3 proctored
May submit up to 2 assignments per week.

KINESIOLOGY

**KIN 370: MOTOR LEARNING/MOTOR DEVELOPMENT**
Provides the teacher, coach, or self-instructing athlete with a comprehensive understanding of the developmental (physical, psychological, and social) processes involved in the learning of sport skills. Explores useful training ideas for all types of performers (beginners-advanced, young-old, male-female) in all types of sports and wellness professionals.
Assignments: 11 graded, Exams: None
May submit up to 3 assignments at a time/6 per week.

MATH

**MATH 108: INTERMEDIATE ALGEBRA**
Review of algebra including factoring, rational expressions, exponents, radicals, quadratic equations, equations of lines. UI students: carries no credit after Math 137 [Algebra with Applications] or 143 [Pre-calculus Algebra and Analytic Geometry]. Does not satisfy general education requirement.
Assignments: 15 graded, Exams: 5 practice, 5 proctored
May submit up to 3 assignments at a time/6 per week.

**MATH 123: MATH IN MODERN SOCIETY**
Discussion of some aspects of mathematical thought through the study of problems taken from areas such as logic, political science, management science, geometry, probability, and combinatorics; discussion of historical development and topics discovered in the past 100 years. UI students: general education credit – Mathematics.
Assignments: 10 graded, Exams: 5 proctored
May submit up to 1 assignment per week.

**MATH 130: FINITE MATHEMATICS**
Systems of linear equations and inequalities, matrices, linear programming, and probability. Prerequisite: sufficient score on SAT, ACT, or math placement test; or Math 108 with a C or better. Required test scores can be found here: www.uidaho.edu/registrar/registration/placement/. UI students: general education credit - Mathematics.
Assignments: 10 graded, 1 self-study, Exams: 4 proctored (sent one-at-a-time once appropriate lessons have been graded).
May submit up to 3 assignments per week.

**MATH 143: COLLEGE ALGEBRA**
Algebraic, exponential, logarithmic functions; graphs of conics; zeros of polynomials; systems of equations, induction. Prerequisite: sufficient score on SAT, ACT, or math placement test; or Math 108 with grade of C or better. It is recommended that Math 143 be taken within two years of passing Math 108 or its equivalent. Required test scores can be found here: http://www.uidaho.edu/registrar/registration/placement. UI students: Carries no credit after Math 160 or Math 170; carries 2 credits after Math 137 [Algebra with Applications]; general education credit - Mathematics.
Assignments: 16 graded, Exams: 4 proctored (sent one-at-a-time once appropriate lessons have been graded).
May submit up to 2 assignments per week.
MATH 160: SURVEY OF CALCULUS
Overview of functions, and graphs, derivatives, integrals, exponential and logarithmic functions, functions of several variables, and differential equations. Primarily for students who need only one semester of calculus, such as students in business or architecture.
Prerequisite: sufficient score on SAT, ACT, or math placement test, or Math 143 with a C or better. Required test scores can be found here: www.uidaho.edu/registrar/registration/placement. UI students: carries no credit after Math 170; General education: Mathematics. Recommended: non-graphing calculator
Assignments: 20 graded, 8 self-study, Exams: 5 proctored (sent one-at-a-time once appropriate lessons have been graded). **May submit up to 2 assignments per week.**

MATH 170: CALCULUS I
Functions, limits, continuity, differentiation, integration, applications, differentiation and integration of transcendental functions. Primarily for students in engineering, mathematics, science or computer science. Prerequisite: Math 143 (with a grade of C or better) and Math 144 [Analytic Trigonometry] (concurrent enrollment in Math 144 is allowed although it is recommended that students complete Math 144 before enrolling in Math 170); or demonstrated proficiency through a sufficiently high score on the ACT, SAT, or math placement test. Required test scores can be found here: www.uidaho.edu/registrar/registration/placement. UI students: general education credit - Mathematics; Carries 2 credits after Math 160.
Assignments: 12 graded, Exams: 4 proctored (sent one-at-a-time once appropriate lessons have been graded). **May submit up to 2 assignments per week.**

POLITICAL SCIENCE
POL 101: INTRODUCTION TO POLITICAL SCIENCE AND AMERICAN GOVERNMENT
This class will introduce students to the fundamentals of the American political system. UI students: general education credit - Social Science, American Diversity.
Assignments: 14 graded, 14 self-study, Exams: 3 proctored **May submit up to 3 assignments at a time/6 per week.**

PSYCHOLOGY
PSYC 101: INTRODUCTION TO PSYCHOLOGY
Intro to psychology topics, including sensation and perception, learning and thinking, motivation, personality and adjustment, social processes, psychological testing; emphasis on fundamental principles. UI students: general education credit - Social Science.
Assignments: 11 graded, Paper: 1 graded, Exams: 4 proctored **May submit up to 3 assignments at a time/6 per week.**

PSYC 305: DEVELOPMENTAL PSYCHOLOGY
Conception through late adolescence; genetics, anatomy, physiology, biological changes during development, learning, socialization, cognition, and personality. Prerequisite: Psyc 101 or EDCI 301 [Learning, Development, and Assessment].
**This course covers conception through death.**
Assignments: 11 graded, 4 self-study, Exams: 4 proctored **May submit up to 3 assignments per week.**

PSYC 385: RESEARCH METHODS
Develops students’ ability to design an empirical study within the ethical constraints of human research and to understand the results of research in professional journals. Specific research designs covered include archival research, experimental designs, naturalistic observation, participant observation, quasi-experimental designs, single subject designs, and survey research. Integrates (1) analytical and evaluative thinking, (2) descriptive, explanatory, and critical writing, and (3) basic knowledge of the theory and application of qualitative and quantitative research design. Pre-requisite: ENGL 102 or ENGL 109 [College Writing and Research] and a total of 24 credit hours in the General Education Core, or instructor permission. Cross-listed with SS-385.
Assignments: 12 graded, 5 self-study, Exams: 4 proctored **May submit up to 3 assignments at a time/3 per week.**

PSYC 410: SPORTS PSYCHOLOGY
Application of the principles and methodologies of psychology to athletics. Topics include individual philosophies of sport, motivation, personality of coaches and athletes, recreational sports for children, psychological testing, training and learning principles, mind/body relationships, and the effects of anxiety, arousal, and relaxation on performance and current research in the field. Prerequisite: Psyc 101 or Psyc 205 [Developmental Psychology], or permission of instructor and Sophomore Standing. LCSC students: cross-listed with KIN 410 [Sports Psychology].
Assignments: 10 graded, Projects: 2 graded, Exams: 3 proctored **May submit up to 3 assignments at a time/6 per week.**

PSYC 415: HISTORY AND SYSTEMS OF PSYCHOLOGY
History of psychology as a field of scientific inquiry; overview of development of schools of thought, prominent figures, and key theories. Recommended preparation: two upper-division psychology courses. Prerequisite: Psyc 101. UI students: general education credit - Senior Experience.
Assignments: 11 graded, 4 self-study, Exams: 3 proctored **May submit up to 6 assignments per week.**
SOCIOLOGY

SOC 101: INTRODUCTION TO SOCIOLOGY
Basic theories, concepts, and processes involved in scientific study of society; includes socialization process, social inequality, the family, religion, deviance, population, the environment, and social change. UI students: general education credit - Social Science, American Diversity.

General Information

About ISI
Independent Study in Idaho (ISI) was created in 1973 by the Idaho State Board of Education as a cooperative of four regionally accredited Idaho institutions led by the University of Idaho. Other cooperating members include Lewis-Clark State College, Idaho State University and Boise State University. The Northwest Commission on Colleges and Universities (NWCCU) accredits all the cooperating member institutions.

Registration
Students can register for ISI courses without applying for admission to any of the cooperating schools. Admission to any of these institutions is not granted by registering for an ISI course.

Most Independent Study in Idaho (ISI) courses are not on a semester calendar, so students can begin anytime and take up to one calendar year from the date of registration to complete a course. Students should plan for a minimum of three months to complete most ISI courses. Students work at their own pace within limits set by instructors. Instructors will grade assignments within three weeks from the date of receipt but are not required to grade faster than the maximum number of assignments per week listed in the Course Rules page in your course packet. Students must complete all assignments and exams to be eligible for a final course grade. Exams require a proctor. Submit the Exam Proctor Request form a minimum of two weeks before you plan to take your first exam.

Grades & Transcripts
Students must submit all assignments and exams at least one month before they need a final grade in the course to allow for processing. Transcripts can be purchased from the credit-granting institution's Registrar after the student receives their course completion letter. Transcripts are not available through the ISI offices. To determine the credit-granting institution (U of I, LCSC, or ISU), refer to the abbreviation listed next to the course. To determine how your ISI course will appear on the transcript, check with the credit-granting institution's Registrar. For contact information, see the last page of this guide. Please note that many colleges and universities have transfer credit limitations. If you plan to transfer credits earned through ISI to another school, please check with the Registrar before you sign up for a course through ISI.

Costs and Fees
ISI courses cost $160 per credit plus a $30 non-refundable administrative fee per course. The course fee does not include the cost of any required textbooks, software, or lab fees for courses.

Refund Schedule
Courses dropped within 45 days of registration qualify for a course credit fee refund minus $25 for each assignment/exam submitted and the $30 non-refundable administrative fee. You will qualify for a full refund if you drop within 21 days from your registration date. If you drop between 22 and 45 days from your registration date, you will qualify for a 50% refund. During the first 45 days after registration, you may also request a course exchange minus $25 for any assignments or exams you have submitted. Please note that an additional $30 non-refundable administrative fee is required before a course exchange can be processed.

Financial Aid
ISI accepts most tuition assistance payments. ISI does not offer financial aid. Courses taken through ISI do not count toward a student’s credit-hour load and cannot be used to establish full or part-time student status to determine eligibility for financial aid or loan deferment.
Independent Study in Idaho Policies & Procedures

Academic Integrity
Independent Study in Idaho (ISI) students and instructors are responsible for maintaining high academic standards and Integrity as defined in the sponsoring institution's policy. For detailed policies, contact the appropriate sponsoring institution's Student Affairs or Dean of Students.

ISI Student Responsibilities
- Cite all materials used from other sources (books, e-publications, journal articles, newspapers, websites, etc.).
- Submit original work on papers, reports, projects and exams.
- Display academic integrity by not sharing final course work with other students.
- Know the instructor's expectations for each course as outlined in the Course Rules on BbLearn (included in the course packet sent to incarcerated students upon class enrollment).
- Read and understand the academic honesty policies and disciplinary processes of the course-sponsoring institution.
- Read and understand ISI's policies and procedures.
- Maintain professionalism in communications with ISI instructors, staff and proctors.

Disability Support Services
Each of the ISI cooperating institutions offers academic support services to students with temporary or permanent disabilities. For information about the services available and request disability-related accommodations, contact the course-sponsoring institution's disability services office. Note the abbreviation listed in the course description in the catalog to determine the course-sponsoring institution. Note: exam accommodation documentation is specific to a course and is not retroactive.

Language Requirements
Good command of the English language is essential to completing ISI courses. Therefore, it is recommended that students whose primary language is not English read the appropriate institution's language requirements policy.

Assignments
Assignment details and instructions for submitting completed assignments are available in the BbLearn courses site under Course Rules (included in the course packet sent to incarcerated students upon class enrollment). The maximum number of assignments that can be submitted at one time and per week is set by the instructor and listed in the Course Rules and directly after each course description in this packet. Students may not submit assignments that are partial, incomplete, or over this number. Instructors will grade assignments within THREE (3) weeks (21 days) from the date of receipt but are not required to grade faster than the maximum number of assignments per week listed in the Course Rules. Students must complete all assignments, papers, projects, and exams to receive a final grade in a course.

ACADEMIC APPROVAL SIGNATURE

It is recommended that university students secure signature approval from their academic adviser before registration to ensure ISI college credits apply to their degree. University of Idaho degree-seeking students are required to obtain this signature approval per the University of Idaho catalog, section B-4. Most colleges and universities have transfer credit limitations.

Credits earned for ISI courses are included in the transcript of the course sponsoring institution (UI, LCSC, or ISU). Students should contact their school’s Registrar to learn how ISI credits are transferred to their institution.

Please review the policies regarding proctor selection and responsibilities below before completing the back of this form.

INDEPENDENT STUDY IN IDAHO EXAM AND PROCTOR POLICIES

All ISI exams require a proctor unless the course indicates that an exam is to be self-administered. Each course requires a separate Proctor/Exam Request Form.

RESPONSIBILITIES OF THE STUDENT

Students are responsible for finding a qualified person to supervise the exam process, proctor exams and return completed exams to ISI. It is the student’s responsibility to provide his/her contact information to the proctor, make exam arrangements and notify the proctor of changes. The student must show government issued picture identification to the proctor before taking an exam (student ID cards are not acceptable). The student is required to follow guidelines outlined in the Course Rules posted on the course BbLearn website.

PROCTOR SELECTION AND REQUIREMENTS

Selection of an independent, non-biased proctor protects the student from allegations of academic dishonesty and maintains the standards of the region’s accrediting agency. Proctor selection is subject to approval by ISI and the course instructor, and is monitored throughout the duration of the course. *Independent Study in Idaho reserves the right to ask the student to select a new proctor at any time.*

ALL exams for most courses will be sent at the same time, unless otherwise directed in the Course Rules. All exams are paper based. *Graded exams are not returned to the student.*

Students must recruit a proctor who will:

- Receive all exams directly from ISI and store them in a secure location
- Supervise the exam process in an educational setting or library
- Monitor the student for the duration of the exam
- Return each exam and completed Proctor Instruction Letter to ISI within one week of the exam being completed
- Follow ISI policies throughout the exam process to ensure academic integrity

UNACCEPTABLE PROCTORS

- Friends, family members or members of the same household
- Personal or educational mentors, tutors or advisers
- Coworkers, including employers/supervisors
- Athletic coaches, assistant coaches or athletic administrators
- Substitute teachers, retired teachers or current students
- Anyone who does not have a professional email address (Gmail, Hotmail, Yahoo, etc. are unacceptable)

ACCEPTABLE PROCTORS

- College/university/K-12 administrators, or instructors
- Official testing center at a college/university
- Educational officers of a corporation, military installation, or correctional facility
- Certified librarians at a library, college/university, or school
- Follow this link to locate a possible proctoring site in 45 states and 3 countries: [http://www.ncta-testing.org/cctc/find.php](http://www.ncta-testing.org/cctc/find.php)

☐ I certify that I do NOT have any of the relationships with the proctor as specified in the “Unacceptable Proctors” criteria above.

☐ I certify that I have talked/met with the proctor and he/she has agreed to proctor my exams for the course(s) listed on the reverse side of this form.
