Course Introduction

This is the second of a three-part study of Spanish that covers the equivalent of three semesters of university work: Elementary Spanish I, Elementary Spanish II, and Intermediate Spanish I. In this course (Elementary Spanish II) you will focus on learning to understand Spanish spoken by native speakers, to speak in the present and past tenses, and to read and write in Spanish on various topics and in a variety of situations.

Course Objectives

In this course you will learn to listen, speak, read, and write in Spanish. You will have ample opportunity to practice several of the most important verb tenses: the present, preterit, and imperfect tenses, as well as to give commands. You will also see the subjunctive mood, which will allow you to express your hopes and desires. Contextually, the course will emphasize vocabulary dealing with daily routines, food, parties and celebrations, health and medical terms, technology, and household chores.

Lessons

Overview

In this course you will cover lessons 7 through 12

Each lesson may include the following components:

- lesson objectives
- reading material to cover
- lecture and required activity
- specific Supersite exercises to be submitted for grading

Lecture and Required Activity Section

Each lesson contains ten sections: *Contextos, Fotonovela, Cultura, Estructura, Recapitulación, Adelante :Escuchar, Adelante:Pantalla, Adelante:Flash cultura, Repaso* and *Vocabulario*. This course guide will direct you through these sections so that you will be well prepared for the exam that follows each lesson.

Study Hints

- Carefully read and follow all the instructions and suggestions found in this Course Guide.
- Go over carefully the material covered in your vText and make frequent use of the Tutorial sessions provided by your Supersite.
- Set a schedule allowing for completion of the course one month prior to your desired deadline. (An assignment checklist is provided for this purpose.)
- Review earlier material by frequently practicing the exercises and quizzes you have successfully done in previous lessons.
- Webpages and URL links in the World Wide Web are continuously changing. Contact your instructor if you find a broken Web page or URL.

Refer to the **Course Rules** in Canvas for further details on assignment requirements and submission.

Exams

There will be six chapter exams, one after each lesson. **Remember to notify your instructor that you have submitted all of the lesson's assigned exercises (*Tarea*) prior to scheduling the appropriate exam.** Exams are cumulative in the sense that each lesson builds on the previous lesson. You will be continually using vocabulary and grammatical points from every lesson as you go along, so don't forget to review occasionally. The exams, however, do focus on what was presented in the lesson being tested.

Procedures

- Submit all of the lesson's assigned exercises (*Tarea*), and wait for grades and comments from your instructor prior to requesting the appropriate exam.
- For exam guidelines, refer to the **Course Rules** in Canvas and the Exam Information sections in this Course Guide.
- The final course grade is issued after all lessons and exams have been graded.
- Refer to *Grading* for specific information on lesson/exam points and percentages.

Grading

The course grade will be based upon the following considerations:

- Six chapter exams each worth 100 points (worth 60 percent of your final grade).
- The assigned homework (*Tarea*) is worth 100 points for each lesson (worth 40 percent of your final grade).
- The average for all six exams makes up 60% of your final grade. The average of your lessons' assigned homework (*Tareas*) makes up the other 40% of your final grade.
- The final course grade is issued after all lessons and exams have been graded.

A final average of:

90% to 100% = A

80% to 89% = B

70% to 79% = C

60% to 69% = D

0% to 59% = F

Acts of academic dishonesty, including cheating or plagiarism may result in a grade of F for the course.
