2022-2023 Donation Form – Support Athena Beyond Your Dues!

Support Athena Programming

Athena dues only cover a portion of the costs for the programming that the organization offers its members each year. Please donate to help Athena provide opportunities for professional development events, including the Women’s Leadership Conference.

Support Student Leaders

Thanks to the generosity of its members, Athena has provided financial awards to women pursuing an education at the University of Idaho. Help Athena support the educational goals of women by donating to the Athena Student Award Endowment. Donations towards this endowment will be used to help grow Athena’s scholarship endowment, which will award this aid in perpetuity.

I agree to contribute these funds to be awarded and/or invested by a committee named by the Athena Board for the benefit of Athena (donation) or students attending the University of Idaho (student award).
