

Animal By-Products

Rikki Ruiz, Extension Educator

Goal (learning objective)

Youth will identify products they use in daily life that contain animal by-products.

Supplies

- Copies of Handouts 1-3 (as a packet, enough for group)
 - Handout 1 - “Sheep By-Products Worksheet”
 - Handout 2 - “Cow By-Products Worksheet”
 - Handout 3 - “Pig By-Products Worksheet”
- Copies of Handouts 4-6 (as a packet, enough for group)
 - Handout 4- “By-Products from Sheep”
 - Handout 5 - “By-Products from Cows”
 - Handout 6 - “By-Products from Pigs”
- Copies of Handouts 7-9 (1 copy for you)
 - Handout 7 - “Sheep By-Products Worksheet Answer Key”
 - Handout 8 - “Cow By-Products Worksheet Answer Key”
 - Handout 9 - “Pig By-Products Worksheet Answer Key”
- Pencils - enough for group

Pre-lesson preparation

- Make photocopies of the handouts above.
- Read/review the handouts and terminology.

Lesson directions and outline

Share the following information with the youth:

Livestock by-products are a part of many manufactured items that we use daily. Utilizing by-products enables us to use 99% of every animal. There are animal by-products in toothpaste, baseball equipment, clothing, items in your medicine cabinet, paint brushes and more.

Conducting the activity (DO)

1. As a warm up, brainstorm with the group by-products that come from sheep, cows and pigs.
2. Have a volunteer distribute to each member a packet of Handouts 1-3.
3. Provide 10-15 minutes for members to work through the packet. Remember, they are working from the worksheet first so be prepared for questions, have them answer it to the best of their ability.
4. Once the group has completed the packet to the best of their ability, distribute the packet of Handouts 4-6.
5. Go through Handouts 1-3, reference your answer key (Handouts 7-9).
6. Ask: Were there any surprises as you worked through the worksheet?
7. Ask: Did anyone get all of the questions right for species that you don't work with?
8. Ask: Are there any similar by-products among the species?

What did we learn? (REFLECT)

- Ask: Why is it important to be knowledgeable about by-products?
- Ask: Are there any items that you use regularly that you didn't know were a by-product?

Why is that important? (APPLY)

- Ask: Why are by-products important?
- Ask: How are consumers impacted by by-products?
- Ask: How do by-products impact your decisions as a producer?
