IDAHO 4-H CAKE DECORATING PORTFOLIO
Idaho 4-H Cake Decorating Portfolio

The Idaho 4-H Wilton Cake Decorating Portfolio is an electronically formatted manual to be used by Idaho 4-H members who are enrolled in a 4-H Wilton Cake Decorating Projects. The projects are available to anyone ages 8-18 regardless of their level of decorating skills. Project completion is accomplished by youth working in partnership with an adult mentor while engaging in activities in their club. 4-H members are encouraged to utilize the listed curriculum to complete their portfolio.

This portfolio is intended to replace the 4-H record book. 4-H members, leaders and mentors will utilize Wilton Cake Decorating Curriculum for education and activities to complete. Each member will fill out an activity sheet in the portfolio on six skills completed from a curriculum manual.

Cake Decorating Mentor

Adult mentors play an important role in the success of youth involved in cake decorating projects. Cake Decorating leaders and/or mentors should be willing to advise, encourage, listen to and teach the youth member. This partnership will help determine what activities are chosen and confirm they are completed.

4-H Cake Decorating Portfolio Instructions

A portfolio is a great way to display your work along with being able to review it and reflect on it. It is preferred if you use a report cover or presentation book to put portfolio materials in. Below are some general guidelines

1. Create a cover page that illustrates your unique personality and the purpose of your portfolio. This will be the front cover of your portfolio so be sure to include the title “4-H Cake Decorating Portfolio” and your name and county.
2. Create dividers that will help you organize your work. As you collect your work, put it in order of activity completed.
3. Be sure that your portfolio is neat and be sure to check spelling.
4. As you collect your work, place it into clear plastic sleeves next to the portfolio activity sheet.

What goes inside?

- **Project Identification** – This page is so that 4-H staff, volunteers and judges know what cake decorating curriculum you used and what year you are in.
- **Planning Sheet** – This page is intended to help you set goals for your project and attain them.
- **How did I do?** – This page is for you to look at your goals and achievements in this project and decide how you did.
- **Oral Presentation or Illustrated Talk** – This page allows you to describe your demonstration to the judge.
- **Project Information and Activity Log** - Include all dates of meetings and the skills worked on. This will allow the judge and leaders to see if you completed the required number of meetings/activities.
- **Activities** – Complete a Portfolio Activity Page for six of the skills learned as you complete your project. These will give the judge an idea of your progress with the project and your knowledge. **Decorating Samples** – put all cake decorating pictures in your portfolio along with the portfolio activity sheet to show your progress and refer back to them if you need to.
- **Project Inventory and Expenses** – This page is to help you have an understanding of how much your project has cost and what kind of inventory you have collected.
- **About My 4-H Year** – This page is intended to help the judge get to know you as a 4-Her and what you learned in your 4-H project.
