When I Compete

- I have a performance goal...never a “to only beat someone else” goal.

- I respect and learn from other competitors more skilled than myself.

- I don’t criticize other competitors, officials, or judges.

- I do my best today.

- I have fun.

- I stay home if I can’t follow the above rules.

Entries

The Extension District Director designee will authorize individuals and teams from their District, then submit one official entry form listing all qualified teams and individuals to the State Contest Committee postmarked on or before June 14, 2019 – late entries will not be accepted. (Note: County information and fees are due to District designees at least one week earlier). Each district shall determine the process by which they select their contestants. The number of District entries allotted is set forth in each specific contest section.

All participants must be current Idaho 4-H program members. Teams may consist of members from the same club, county or multiple counties within that district at the discretion of their district coordinator. Substitution of pre-registered individuals or teams is not permitted after the entry deadline. District designees are responsible for verifying each contestant’s age and entering them in the appropriate contest area and age division. Contestants may only compete once within each contest area (Horse Judging, Horse Bowl, Oral Presentations & Hippology) during this year’s state contests.

Entry fees

All entry fees (see schedule below) must accompany District entry forms, which are to be mailed to: Sue Walker, Jefferson County Extension, 210 Courthouse Way, Suite 180, Rigby, ID 83442. - Oral Presentations $10/contestant
- Hippology $15/contestant ($10 if same contestant is also competing in Horse Judging)

Idaho 4-H Youth Horse Contests
Judging Contest

Horse judging enables youth to enhance their knowledge of equine confirmation and performance considerations by evaluating/ranking classes consisting of four horses each. Youth also build effective communication skills by sharing their observations with others through oral reasons. This contest determines eligibility for advancement to subsequent national events.

Eligibility
Each of the four 4-H Extension Districts may enter ten (10) teams (preferably five (5) Junior teams and five (5) Senior teams) consisting of three to four (3-4) members per team. As their three highest scores determine the team score, the use of four member teams is strongly encouraged, but is not required. Each team must start with at least three contestants. If a team falls below three members at any point before their competition is completed, they shall be deemed ineligible for team placings/awards; each contestant fully completing the contest shall be eligible for individual awards.

Contest Overview
The Idaho 4-H Horse Judging Contest will be on Saturday, July 2, 2019, at Jefferson County Fairgrounds in Rigby, ID. Check-in will be from 7:30 to 8:15 a.m. An orientation session for contestants and coaches will be from 8:15 to 8:30 a.m., with the judging contest starting promptly at 8:30 a.m.

Contestants will judge six to eight classes of horses (3 to 4 halter classes and 3 to 4 performance classes). After completing the judging classes, each contestant will give two sets of oral reasons. Reason classes will be announced during the orientation session. An official will determine final placings. Halter classes evaluate conformation and action; performance classes assess horse and rider performance as they appear. After all contestants' reasons are completed, official judge class placings/reasons will be given.

Contest Rules
All contestants must comply with the current Idaho 4-H Horse Judging Procedures and Rules (http://www.uidaho.edu/extension/4h/programs/contests). Furthermore, they need to be quick and courteous in responding to group leader directions, stay with their assigned group until dismissed and refrain from conduct that could distract other contestants. Violations may constitute a zero for that class, or dismissal from contest.

Awards and Recognition
Awards will be presented to the
- Top five (5) high-scoring individuals within each age division (Junior, Intermediate and Senior)
- Top three (3) Junior and top three (3) Senior teams, based on overall team scores

Qualifying for National Competitions
