G. ELBERT MCPROUD MEMORIAL SCHOLARSHIP

NOMINATION/APPLICATION PROCEDURE

PURPOSE and AWARD

The G. Elbert McProud Memorial Scholarship provides $500 for professional development support for a University of Idaho Extension System faculty member to attend courses and observe programs to gain knowledge applicable to ongoing Extension programming.

ELIGIBILITY

Must be a tenure-track faculty member of the Idaho Cooperative Extension System with at least a 50% Extension appointment.

CRITERIA

Application should include which school or organization will be attended, what course or courses will be taken or what programs will be observed, and how the anticipated knowledge gained will be applied to the applicant’s present position.

Self-designed study programs are also possible.

PROCEDURE

1. Applications can be made by any Extension faculty or administrator. Applicants are responsible for providing all required information.

2. Applications are due by **February 25** and shall include:
   a. One page summary of professional development goals and activities to be supported by this scholarship.
   b. A letter of support from the immediate supervisor.

3. Announcements will be made and an award will be presented at an appropriate function during Annual Conference.

Submit nomination/applications to:   Debbie Rigby
