Harvest Food Preservation Classes

How to safely preserve your harvest

Dehydration — August 8 (Tuesday) from 6:00-8:00 p.m. $15.00
Learn how easy it is to dry fruits, vegetables, fruit leather, and jerky at home. Pretreatment and storage will also be discussed.

Hands-on Pressure Canning — September 6 (Wednesday) from 6:00-9:00 p.m. $40.00
Learn about low-acid foods and how to process them using a pressure canner. Information on how to use and care for your pressure canner will also be provided. Participate in a hands-on lab processing a low-acid food to keep.

Soft Spreads/Jams & Jellies — September 13 (Wednesday) from 6:00-8:00 p.m. $15.00
Learn how to make soft spreads, homemade liquid pectin, and how to remake your soft spreads if they did not gel properly. Try some fun and unique jams.

Canning Basics — September 20 (Wednesday) from 6:00-8:00 p.m. $15.00
Learn how to safely preserve your garden harvest using a boiling water canner. We will focus on tomatoes and safe salsa. Watch a live salsa-making demonstration.

Pickling — September 21 (Thursday) from 6:00-8:00 p.m. $15.00
Learn how to make a variety of safe, high-quality pickled products. Watch a live demonstration on how to make sauerkraut.
