

2020 Fair/Market Livestock Sale Photo Release

In light of a wide array of concerns regarding COVID-19 and to best ensure the safety of all parties involved, University of Idaho Extension personnel may opt to incorporate the use of multiple media formats (including, but not limited to local video streaming, live internet streaming and posting digital images of youth participants – that may include their full name) in conjunction with the 2020 _____ county fair and/or market livestock sale. As the parent/guardian of the youth participant listed below, you consent to allow the use and distribution of all photographs, video and other digital images by University of Idaho Extension taken in conjunction with these events.
