Easy Composting Workshops

Do you want to learn to use your yard waste to improve your soil and the environment? Through the Easy Composting Workshops you will become knowledgeable about using yard waste in ecologically-wise ways to improve your garden. Your composting skills will improve and you’ll meet fellow composters. An opportunity will be provided during the workshops for a hands-on composting experience.

Attend all three workshops on Friday, Oct. 14th, 28th and Nov. 11th from 9:30 a.m. —12:30 p.m. held at the UI Extension Office, 5880 Glenwood St., Boise, ID 83714. To reserve your spot, return the attached form with class fee by Oct. 10th, 2016.

Workshop classes will be held at the University of Idaho’s Extension Office
5880 Glenwood Street
Boise, Idaho 83714

Scheduled dates:
Friday, Oct. 14th
from 9:30 a.m. to 12:30 p.m.
Friday, Oct. 28th
from 9:30 a.m. to 12:30 p.m.
Friday Nov. 11th
from 9:30 a.m. to 12:30 p.m.

What to bring to the first class: Rubber gloves, a shovel or potato fork and organic matter to use in making a compost pile like: leaves, grass clippings, kitchen veggie scraps, livestock manure, straw, newspapers, etc. Be prepared to go outside regardless of weather.

Persons with disabilities who require alternative means for communication or program information or reasonable accommodations need to contact our office before the class (208) 287-5900 or adamg@uidaho.edu.

Please reserve a place for me in the University of Idaho’s Easy Composting Workshops. I realize that I will be contacted a few weeks before the classes begin.
