- Over 3,000 volunteer service hours have been logged in FY 2015. This includes, 4-H adult/youth volunteers, horticulture outreach and service work, and event assistance (i.e. Trailing of the Sheep).
- Day-to-day office foot traffic consisted of 1,600 individuals coming into the office with general inquiries on plants, insects, weeds, and 4-H.
- Leveraged outside Extension expertise for community outreach in food preservation, horticulture, and finance.

Extension leverages resources in the community
