

Enrollment instructions for 4HOnline for RETURNING 4-H Families (Enroll by Dec. 31st)

I need to update my profile for returning families who already have a family profile.

Follow these instructions if you already have access to your 4HOnline profile and need to login to make changes or add projects, and enroll for the new 4-H year.

- Login to the 4-H Online Enrollment website <https://id.4honline.com>
Click "I have a profile"
- Enter your email address (If your email address has changed, use your old email address to login to make the change)
- Enter your password (If you don't remember your password, complete your email address and click the send my password button. You will be sent a temporary password with login instructions and links.)
- Click Login button
- Follow the steps on each page to update your profile for the new 4-H year.
- When finished, click "Submit Enrollment"

Problems? Call the Extension Office at 208-263-8511 for assistance

Pay dues at the Extension office by February 1st. 4HOnline enrollments do not begin until Oct. 1st.
