I understand that the 4-H market animal sale is a Butte County tradition supported by the Butte County 4-H program and Butte County Fair, but it is not a part of the U of I's youth education program.

I understand that “*Only youth whose parents have jointed the Association and have agreed to the minimum participation outlined in the membership agreement will be permitted to participate in the sale*”. {Bylaws: Article 3 Paragraph B2}

I understand that the success of the sale is the responsibility of the 4-H members and their parents, other interested volunteers and not the University of Idaho, The Butte County 4-H program, the Butte County fair board, or the Butte County commission, although many of the same people may contribute to the success of the sale.

I understand that children become eligible for the sale by completion of their 4-H livestock projects according to the standards of the U of I 4-H program and the Butte County 4-H Leaders Council and their policies and procedures.

I understand that as a member, I/we need to participate in the various activities required to successfully hold a youth market animal sale. ***I volunteer to participate in the following activities related to the sale:***

- √ **Assist my children in inviting qualified buyer to the sale**
- √ **Attend Sale Committee Meetings**
- √ **Assist in preparing and/or serving the buyers appreciate supper**
- Assist in preparing pre and post sale advertising
- Assist in preparing thank you posters during the fair
- Assist in delivering thank you poster to the buyers
- Assist with the bookkeeping, invoicing and collections at the sale
- Assist is sorting livestock before or after the sale
- Assist in delivering livestock to slaughter facilities after the fair
- Assist in preparing invoices and statements after the sale.
- Assist in soliciting funding and prepare paring livestock awards for presentation at the fair.
- Assist in locating businesses or individuals to purchase turn back animals
