Canyon County and Ada County 4-H and FFA members may sell *only one* market animal per year at one fair - either Canyon County Fair or Western Idaho Fair - regardless of the county in which they are enrolled in. Youth denied entry by the Owyhee County Fair and accepted by the Canyon County Fair will be allowed to sell one market animal at the Fair.
47. All market livestock exhibitors will be limited to two entries per species (*i.e., exhibitor may have two market beef, two market sheep, two market goats and two market swine*).
48. All male market animals must be neutered completely. No rams, bulls, bucks or boars will be able to show or sell as market livestock.
49. All animals eligible for the Market Livestock Sale will provide information on the origin of their animal to comply with USDA Country of Origin Label laws. Information will be collected at declaration.
50. Market animals will be insured at a set price as follows: Beef - \$1250; Swine - \$200; Sheep - \$200; Goat - \$200. Payout will be limited to funds on hand. Fees will be collected at declaration. These fees are: Beef - \$15; Swine - \$5; Sheep - \$5; Goat - \$5. Additional information is available at the Extension Office.
51. All market animal entries which meet the guidelines are automatically entered in the livestock sale.
52. Only animals that have been entered by the June 15 deadline will be eligible for final weigh-in. All market animals must have been declared or weighed and tagged at the Canyon County initial weigh-in/declaration as set by the Canyon County Market Livestock Sale Committee and the Canyon County Fair. Animal to be weighed will have nothing on, except the halter. All market animals should be weighed at the Fair on full feed.
53. Animal should be clean and dry for weigh-in. Ear tags must be clean and readable for weigh-in.
54. If there is a question on weight, scales will be re-balanced and the animal will be re-weighed immediately. Once the animal leaves the scale weigh-in area there will be no re-weighs.
55. When a market animal does not make weight, it cannot be entered in a breeding class.
56. No Sale Forms are due 1 hour after exhibitor's last market class to the Show Office or exhibitor will not sell any animal. Animals listed on sale order cannot be withdrawn. Late designations will lose their place on the sale order.

57. Market Livestock Sale Order Rotation:

**All Grand and Reserve Grand Champions will sell at the beginning of the sale in the same order as species rotation.**

Beef	Goat	Swine	Poultry	Sheep	2022
Goat	Swine	Poultry	Sheep	Beef	2023
Swine	Poultry	Sheep	Beef	Goat	2024

The order of sale within each species will be determined by show ring placing - purple, blue, red, white.

58. Any animal exhibited in any market or meat bird pen class that received Grand Champion or Reserve Grand Champion must be sold in the Market Livestock Sale. In the event an exhibitor has won Grand Champion or Reserve Grand Champion in two or more species, exhibitor must designate one animal they wish to sell. Others will be removed from the sale order.

59. Exhibitors must be present and prepared to sell in sale order.
60. Only exhibitors that are in “good standing” within their organizations are eligible to sell an animal at the Canyon County Fair Market Livestock Sale.
61. No personal announcements concerning the exhibitor will be made during the sale.
62. The Market Livestock Sale Committee will not be responsible for collection of original purchase price of an animal.
63. The Canyon County Fair Market Livestock Sale is a terminal sale. Terminal is defined as a change of ownership. A project animal sold through the Canyon County Fair Market Livestock Sale cannot continue as a project animal in the current year.
64. Exhibitor is responsible for market animal until it is loaded on the truck. If an animal dies prior to that time, the circumstances will be reviewed by the Market Livestock Sale Executive Committee to determine payout, if any. Each exhibitor will plan to see that the animal is fed and watered prior to shipping. The Fair is not responsible for the security of any equipment (e.g., pig waterers, feed pails) left at the Fairgrounds. Disposable containers should be left for animals Sunday evening. Exhibitors may pick up left equipment on Monday from 10 a.m. to 1 p.m.
65. Any market animal sold through the Canyon County Fair Market Livestock Sale will be delivered to the packer by a member of the Market Livestock Sale Committee or their designated hauler.

Animals purchased for personal use may be picked up with appropriate bill of sale at the designated time set by the Market Livestock Sale Committee.

**Non-Slaughter/Personal Use** - Exhibitors will be given the opportunity to declare their animal as a Non-Slaughter/Personal Use project at the time of Fair entry, this declaration will be final.

**Payment** - Livestock must be paid in full by credit card or cash payment before the animal may be released. Payment must be made within 1 hour of conclusion of the Canyon County Market Livestock Sale. (Check will not be accepted as a form of payment.)

**Delivery and Pickup** - Upon payment confirmation, top bidder will be contacted by a member of the Canyon County Market Livestock Sale Committee to confirm purchase. Any animal not paid for by payment deadline will be sold to the floor buyer and top bidder will be invoiced for the difference between the floor price and the actual sale price. Animals must be picked up at the Canyon County Fair facility on Monday, August 1 between the hours of 8:30 a.m. to 10:00 a.m.

66. A deduction will be made from the total amount of the sale of each animal before checks are distributed. The amount deducted will be determined by the Market Livestock Sale Committee based on actual costs. This money will be used for expenses such as promotion, buyer recognition, sale operation, and trucking.
67. A \$2.00 fee for beef and a \$1.00 fee for sheep, goats and swine is assessed from each animal sold and these fees will be used to maintain a condemned carcass fund, which will be available to reimburse an exhibitor for any carcass condemned by the packer due to natural causes. Any carcass condemned from the effects produced by use of illegal or prohibited treatment or by neglect or abuse is the responsibility of the exhibitor. The exhibitor will not receive any funds from the sale of these animals. All market beef sold in the sale will be slaughtered at a designated location so carcass data can be available.

68. Sale checks will be mailed to individual members, using addresses from the online fair entry system. Please verify your mailing address is correct. Checks will be released as soon as all money is received and the auction audit is complete. Checks will not be released until all support of that exhibitor has been paid to the Canyon County Fair Market Livestock Sale Committee.

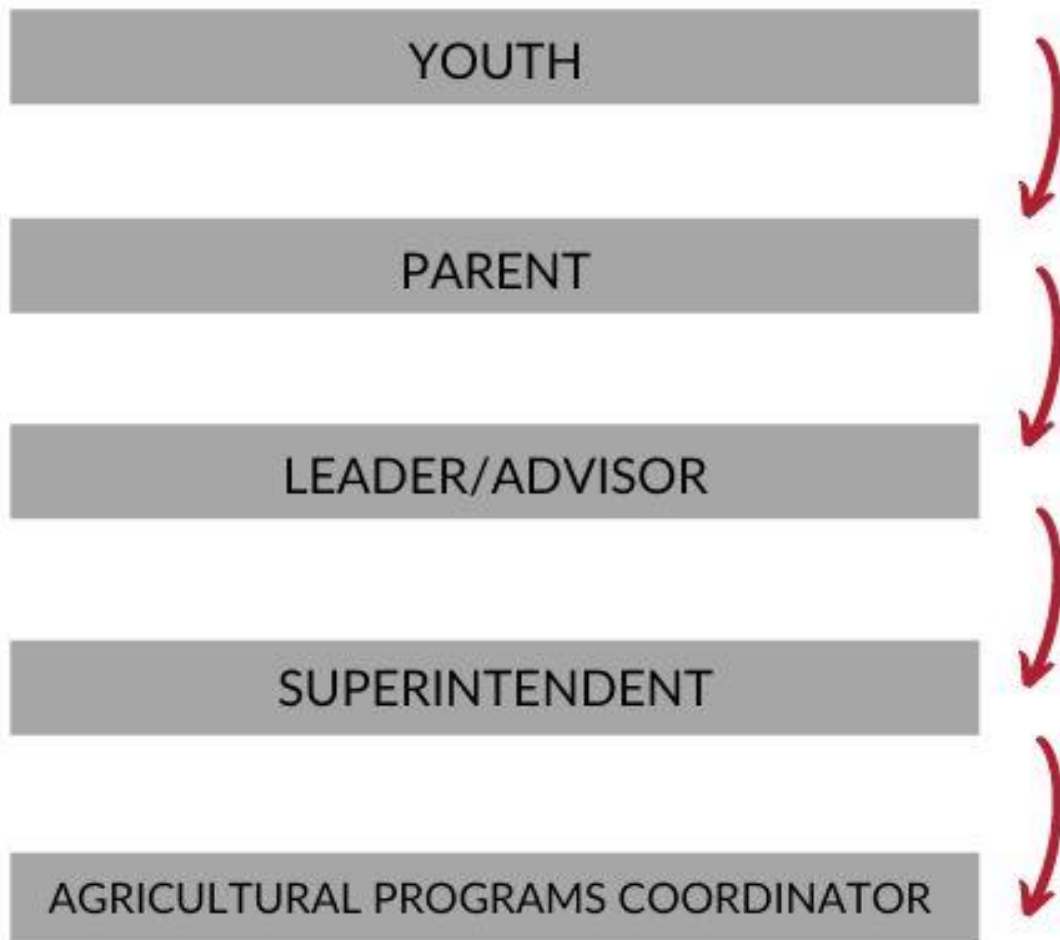

**PROTESTS**

69. A protest form must be completed and be accompanied by a \$250 deposit which will not be returned. Protest must state plainly the cause of complaint or appeal and must be delivered to the Show Management immediately after the occasion that prompted the protest. Protests will be accepted prior to, during and within 2 hours immediately following the occasion that prompted the protest.

70. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, a decision may be withheld until a complete investigation has been conducted.

## **CHAIN OF COMMUNICATION**

We all have a time when a question comes up that we can't answer on our own. We encourage you to ask those questions when they arise. Please follow the chain of communication below. If the person directly below you cannot answer the question, ask the next person. Keep going down the chain until your question has been answered.

3. **ARRIVAL** - Stock trailers with beef cattle are to line up facing west on Stock Trail Road, enter Gate 4 and exit Gate 1 off of 22nd Avenue. Please bring all large equipment and feed on Monday, July 25, 5:00-8:00 p.m.

No livestock will be allowed to move until the Fairgrounds have been cleared of patrons. Exhibitors must strip all bedding to the center of the aisle onto the asphalt and clean all trash in exhibitor area before released.
5. **HEALTH INSPECTION** - Upon unloading to stalls, all beef cattle will be inspected by a veterinarian. Any animal that has an obvious contagious medical condition in which they have received a certificate of veterinarian inspection dated within 2 weeks of the Fair from a veterinarian outside of the Fairgrounds must present the certificate at check-in. The check-in veterinarian will further inspect the animal to ensure that the certificate is still valid based on the present state of the animal's health during receiving. If the Fair veterinarian deems the animal unacceptable, the animal will not be allowed to remain on the Fairgrounds. This decision will be final.
6. **HEALTH REQUIREMENTS, BRUCELLOSIS** - All female cattle four months of age or older must have a legible brucellosis vaccination tattoo. Non-vaccinated females over twelve months of age must have a negative brucellosis test within thirty days of entry into the Fair.

A brand inspection certificate must be obtained when steer is purchased. Steers raised from own herd must still obtain a brand inspection.
8. **PROHIBITED FEED** - No feed containing animal protein by-products (meat or bone meal) may be fed to ruminant animals. Packers are requiring that a "Prohibited Feed" affidavit accompany all beef animals to be slaughtered. This document will be collected at the entry deadline. No animal will be allowed to sell without this completed document on file with the Market Livestock Sale Committee clerk. Copies are available from the Canyon County Fair.
9. **HANDLING & SAFETY** - All shows will be held in the Fair Building. Please note: Beef may only be walked prior to Fair opening until 10:30 a.m. Please see superintendents for designated area. All beef animals may be shown with nose tongs or a ring and will not be penalized for it. All beef animals are required to have a safety rope around neck or neck-strap in addition to halter when tied.
10. **WASH & DRY REQUIREMENTS** - All beef in showmanship, breeding and market classes will be shown in wash and dry condition. Exhibitors will not be allowed to use adhesive or paint. No substance will be allowed to alter the color pattern of the animal. Any animal with adhesives or paint will be eliminated from all classes. The beef superintendents have final decision on this matter.
11. **FEED & TACK** - No extra feed shall be stored in the stall areas due to limited space. Cattle must be monitored while being fed and watered.
12. **CLASS BREAKS** - Any class may be split at the discretion of the superintendent to accommodate size of classes or range of ages. **BREEDING CLASSES** - classes in each breed will be determined after all entries are in and based on total number that check in at Fair. A breed must have at least three head to have a division. If less than three head of one breed check-in at Fair, all of that breed's entries will be shown in the All Other Breed's Class.
13. **TIE OUTS** - Cattle tie outs are available in the pens located behind the Caldwell Night Rodeo Arena. Tie out pens will be assigned. Cattle are released to tie outs daily at 9:00 p.m. Tie out pens must be cleaned daily and before final release.

## Special Beef Awards

**Black Angus Ultrasound Carcass Award** - The Idaho Angus Association sponsors two \$100 cash awards and plaques to the highest placing Black Angus Carcass and Ultrasound Black Angus Carcass in the state. Judging will be based from the CAB (Certified Angus Beef) formula. Carcasses meeting these criteria from the Canyon County Fair will be entered into the state contest by the Extension Office.

**The Idaho Angus Auxiliary - Outstanding Angus Market Project** - A rope halter is presented to either a 4-H or FFA member (only one award). The exhibitor must own the animal. Both quality and showmanship are to be considered. If there is not a Black Angus project entered then a crossbred animal is eligible providing it is a 50% Black Angus (verified Black Angus sire or dam). An exhibitor may receive the Outstanding Black Angus Market Project award more than once, but not two years in a row.

**The Idaho Angus Auxiliary - Outstanding Black Angus Breeding Project** - Steers are not eligible. An award is presented to either a 4-H or FFA member (only one award). The exhibitor must own the animal. (Both quality and showmanship are to be considered). If there is not a Black Angus Project entered then a crossbred animal is eligible providing it is 50% Angus (verified Black Angus sire or dam). An exhibitor may receive the Outstanding Black Angus Breeding Project more than once, but not two years in a row.

**Western States Angus Auxiliary** - The Western States Angus Auxiliary, will present an award to the outstanding 4-H exhibitor or outstanding FFA exhibitor. The selection of the winner is based on show ring placing of individual animals, placing in showmanship and educational display. The following point system must be followed.

**Conformation point placing:**

Grand Champion .....	40
Reserve Champion.....	30
First Place .....	20
Second Place.....	15
Third Place .....	10
Showmanship Participation.....	6
Education Display promoting the Angus Breed.....	25

If steers and breeding animals are both exhibited, points may be combined to select a winner. For breeding animals, the animal must be registered with papers. This is open to exhibitors with one or more breeding and/or market animals. Winning the award in previous years shall not exclude an exhibitor from winning again. For market steers this award should go to the highest placing predominately black steer, the sire must be Angus. It must be kept in mind that the purpose of this award is the promotion of the Angus breed. It is important therefore, that Angus breeding animals should take precedence over market animals.

**Idaho Cattle Association Beef Award** - The Idaho Cattle Association will present an engraved belt buckle to one FFA and one 4-H exhibitor for a Superior Beef Project.

- Award recipient should exhibit the best combination of performance, sportsmanship and citizenship.
- Award recipient should be enrolled in a beef project in the year the award is presented.
- The Superior Beef Award/belt buckle should be awarded to an individual only once.

The standing county awards committee in conjunction with FFA advisors and Extension Educators will determine the Superior Beef Award.
