Canyon County 4-H Endowment fund

Investing
in the **future**
of Canyon County youth

What is the purpose of the
Canyon County 4-H Endowment fund?

Would you like to
make a **difference?**

Our purpose is to invest contributions received from generous donors to provide a permanent monetary base to **ensure the future** of the 4-H program for Canyon County.

Our goal is to increase interest and awareness in 4-H by reaching out to more youth, providing support for participation, and **expanding member opportunities** at all levels.

Our program only uses earned interest on principal for program support, to ensure today's contributions are **a gift that will keep on giving** for generations of youth.

As the largest youth organization in the world, 4-H is assisting youth in acquiring knowledge, developing life skills, and forming attitudes that will enable them to become productive, contributing members of society.

Your support is vital.
