NOTE: They will stop at every normal stop Monday, April 6 – Wednesday, April 8. Beginning Thursday, if your child has not picked up a grab and go meal, the driver will no longer stop unless you call the transportation department to specifically request meal delivery.

If you would like grab and go meals and do not normally ride the bus, please call the transportation department to identify where the stop would be for your child. If your child lives here in town, and normally walks to school, lunches will still be available at the Parma Middle School location from 10:00 am – 12:00 pm.
