You will receive over 40 hours of quality instruction and materials from local, regional and university horticultural professionals, at least two field trips, a soil test, Master Gardener t-shirt and name badge. A hard copy of the Idaho Master Gardener Handbook can be ordered for an additional \$60, plus shipping and handling. More information on where you can order the handbook will be shared on the first day of class.

(**) Idaho code 67-3008(6) states "A person or private agency, or public agency, other than the department, shall not disseminate criminal history record information obtained from the department to a person or agency that is not a criminal justice agency or a court without a signed release of the subject of record or unless otherwise provided by law."

It is the policy of the University of Idaho Extension Service that all persons shall have equal opportunity and access to the programs and facilities without regard to race, color, religion, national origin, gender, religion, age, disability, political belief, sexual orientation, gender identity, marital or family status or veteran status.

Please read and initial next to each line indicating that you have read, understand and agree:

In the capacity of an *Idaho Master Gardener Volunteer*:

- I agree to cooperate with and support the local Extension Office staff and volunteers to jointly further the missions and objectives of University of Idaho Extension and the IMG Program which are found here:
<http://www.extension.uidaho.edu/mg/resources/handbook/MGH01.pdf>
- I agree to comply with training, reporting, certification, and other program requirements as directed. I understand this includes 40 hours minimum of approved volunteer service in Canyon County (unless special arrangements have been made, in advance).
- I understand that the title "*Idaho Master Gardener*" may be used only in conjunction with official University of Idaho Extension activities. The title may not be used to build my personal credentials in a non-Extension activity. The title may not be used to associate the Idaho Master Gardener name with commercial products or give implied endorsements of any product or place of business.
- I agree to disseminate information without regard to race, age, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, or gender identity or expression.
- I agree to follow federal, state, county, University of Idaho and Extension Office policies and regulations appropriate to my role as a volunteer.
- I agree to provide research-based horticultural information endorsed and sanctioned by University of Idaho Extension or other research-based institutions.
- I understand the audience for IMG volunteers is non-commercial home gardeners. I understand that as an Idaho Master Gardener Volunteer it is not my role to advise commercial growers or green industry professionals; but rather to refer commercial clients to the appropriate educators.
- I understand that as an IMG volunteer, I may not give advice that would be considered by the client as legal or medical in nature. I understand that as an IMG volunteer, I do not discuss the following issues: hazard trees (potential tree failure concerns), poisonous plants and mushrooms, medical use of herbs (including growing and use of marijuana), pesticide toxicity, and the misuse of pesticides.
- In relation to pest management, I understand that it is the role of the IMG Program to provide clients with appropriate non-chemical and chemical alternatives; allowing the client to select methods in harmony with their values. Any reference to pesticide use must come directly from Extension publications. All inquiries beyond the scope of Extension publications will be referred to the Extension Educator. I understand that I do not discuss or make comments about the toxicity of organic or synthetic pesticides. Any inquiry about pesticide toxicity will be referred to the *National Pesticide Information Center*, found here: <http://npic.orst.edu/>

- While performing my volunteer duties, I may apply only over the counter, “general use” pesticides. I will read and follow all label directions.
- I agree to consistently exhibit civility and courtesy in my behavior towards Extension staff, other volunteers and the public. I recognize that others may think and do things differently than what I personally prefer. When this happens, I will be respectful of their values and perspectives. I will avoid disrupting classes in any manner, including inappropriate comments, side conversations and excessive personal questions. I will not send inappropriate emails.
- I agree to refrain from using or possessing alcohol or illegal substances while participating in volunteer activities. Being under the influence of alcohol or illegal substances during IMG service will result in termination as an IMG volunteer.
