The Joy of Growing Nostalgic Sweet Peas

The very mention of the name sweet peas (*Lathyrus odoratus*) summons romance and the memories made in your grandmother's flower garden. Vintage in appearance and highly scented in smell, sweet peas are one of the easiest and most productive annual flowers to grow. Click [HERE](#) to read the full article.

Mosquitoes? Consider Your Lawn Watering

It's warming up so we are all watering our lawns. With the warm weather and water, come those irritating and possibly disease infested mosquitoes. Read more [HERE](#) for tips on how you can help keep your family safe by making sure you are watering your yard properly, avoiding a perfect mosquito habitat.
