Sign up for the 2019 Living on the Land class today.

Mondays
6-9 PM
Jan 7 - March 11
Caldwell ID

What Living on the Land Alumni have to say about the class:

“I really enjoyed meeting new classmates and sharing ideas. I learned so much from talking to the speaker and those who attended the previous class. Best I could have done. I wish I could have taken a class like this 20 years ago. What I paid for the class came back in value after the first two classes, and the rest was over the top!”

“Talking to other classmates made me feel less overwhelmed and scared. I realized that I wasn’t alone, and that there are people and resources out there to help.”

“Great information provided in handouts and websites...”

“...great information provided in handouts and websites...”

“Learning about all aspects of using our land to its best potential. It’s also great to know that we’re on the road to doing the right thing...”

“Talking to other classmates made me feel less overwhelmed and scared. I realized that I wasn’t alone, and that there are people and resources out there to help.”

“I wish I could have taken a class like this 20 years ago. What I paid for the class came back in value after the first two classes, and the rest was over the top!”

“What I paid for the class came back in value after the first two classes, and the rest was over the top!”

“The introduction to pasture management & rotational grazing systems helped to plan for our future!”

“I wish I could have taken the class like this 20 years ago. What I paid for the class came back in value after the first two classes, and the rest was over the top!”
The “Living on the Land” class series is aimed at providing current and future land owners with practical information and resources about small acreage management. Participants develop a plan for their property, and share ideas with a team of expert instructors and other participants.

2019 marks the sixteenth year that the “Living on the Land—Stewardship for Small Acreages” class series will be offered by the University of Idaho Extension.

Classes will be taught by University of Idaho Faculty, Extension Educators, local industry experts and agency professionals.

Class Topics Include:
- Setting Goals and Using Google Earth Pro
- What To Do About Weeds
- Water Rights and Irrigation
- Record Keeping
- Soil Management
- Growing on Small Acreages
- Gopher Control
- Integrated Pest Management, Bugs & Disease
- Trendy Ag Topics
- Fencing
- Grazing Management
- Sustainability
- Planning & Planting Your Garden
- Caring for Your Livestock
- Marketing of Small Farm Enterprises

Class Location:
University of Idaho Caldwell Research & Extension Center 1904 E. Chicago Street Caldwell, ID 83605

Mondays 6-9 PM
January 7 - March 11

Class Cost:
10 week class = $200 per unit
Unit = Spouses, Family Members, or Business Partners
A unit of 2 people will share a set of materials & receive 1 set of soil and water tests

No property is too big or too small to benefit from information taught in class

Turning your dreams into reality!
