Community/Organizational Club – Oversees club enrollments and handles all 4-H enrollment fees, offers opportunities for youth leadership (club officers), organize service learning activities and club recreation or social events.

Project Groups – “Sub-groups” of the organizational club that focus on specific project material.

Time Involved
Will depend on the club and number or type of projects enrolled in.

Normally you will have one organizational meeting a month and will average one project meeting a month for each project enrolled in.

Most projects are traditionally completed by August for the Fair.
