GENERAL RULES

1. Entries can only be made in those projects for which the member was officially enrolled as a Kootenai/Shoshone County 4-H Member by March 1st and in that project by April 1st. Entries must be in the proper unit to be eligible for top overall awards. All entries must be made/grown during the project year. In addition, 4-H members with the Coeur d’ Alene Tribal Extension program may also participate per Memorandum of Understanding between the Extension programs.

2. A member may only enroll in two units of any given project during the current 4-H year; only one entry may be made in a class. Extra exhibits may be entered in Open Class. In the case of large animal (Beef, Goat, Sheep, Swine) exhibits, where there are no open class options, a member may request, in person, to the 4-H Livestock Leaders during a regular business meeting prior to July 2, that they may exhibit 2 animals in a breeding class if they are exhibiting no other animals in that species.

3. Exhibitors, parents, and leaders are expected to conduct themselves in a responsible and sportsman-like manner at all times. Efforts are being made to insure that the Fair is an enjoyable experience for everyone. Any violators, be it toward fair officials, other exhibitors, parents or leaders or toward the general public will face immediate expulsion from the fair and will forfeit any privileges or premiums associated with the Fair.

4-H BUILDING EXHIBITS

4. Every 4-H Building exhibit shall have attached to it a 4 inch x 6 inch card (printed by the Extension Office) with first and last name of member, club name, and member age division.

5. All exhibits (involvement reports, record books, posters, notebooks and displays) must meet the specifications set forth in the current Kootenai/Shoshone 4-H Project Requirements and its “Glossary of Terms”. (This supersedes any conflicting exhibit specifications listed in project manuals or state level project requirements.)

6. Selected project areas will be interview judged on Wednesday, August 15, Monday, August 13 or Tuesday, August 14. These projects have been identified with {Interview Judged} and the date next to the project category listing. These projects will be delivered to the 4-H Building for display by the Extension Office after judging is completed.

4-H LIVESTOCK EXHIBITS

7. Members must submit their 4-H animal entry form and stall fees by July 2 to avoid late fees; no entries will be taken after July 31.

8. Completed record books of all dog, horse, market, breeding, dairy, family flock and pullet/layer animal projects must be submitted to the respective project leaders, then to the Extension Office by 5 pm on September 4. Members need to have also submitted a current Involvement Report, via their Organizational Leader to the Extension Office, for their record book to be considered complete, and to exhibit at fair. In reviewing these records, should any record be deemed incomplete, the member will be notified and then have until 5 pm on the last business day of September to resubmit a completed record book. Failure to
submit a completed record book by the last business day of September for each project exhibited will be dealt with as set forth on the respective County Show entry or the 4-H Animal Entry.

9. Grade or registered livestock are shown in the same class, unless otherwise noted.

10. Only dehorned or polled cattle and sheep can be entered and shown. Any cattle and sheep having scurs over 2 inches long from the skin at the base of the horn to the tip will be disqualified from exhibiting. This is a safety precaution for exhibitors and the public.

11. Pet/Pack, and Breeding Goats may be shown with horns. All horns must be tipped, taped, or padded. Market and Dairy goats must be dehorned or polled, or have scurs less than 2 inches long (see rule 10).

12. Members must exhibit their own project animal/fowl in quality judging, plus fit and show one animal/fowl from each livestock category (beef, dairy, goat, poultry, rabbit, sheep, swine) the member enters in the Fair. Any requests for exception must be made directly to the Department superintendent, and is subject to review team approval (Extension 4-H Educator/Coordinator, Department Superintendent, one other 4-H leader and representatives from 2 other 4-H clubs). All market animals must be fit and shown unless excused as specified above; only one rabbit in a meat pen (or a breeding rabbit that is part of their market project) need be fit and shown, poultry must show according to provisions noted in the Project Requirement Handbook.

13. Exhibitors (including poultry and rabbit) shall furnish hay and other feeds at their own expense. Due to swine pen size, only self-waterers plus an optional self-feeder (no larger than 12 inches x 12 inches at the base) may be left in swine pens; buckets and pans must be removed immediately after feeding. Failure to provide proper care (feed, water, etc.) of any animals may result in disqualification and removal of affected animals.

14. All 4-H Livestock Barns, including Poultry/Rabbits, must be cleaned by livestock exhibitors before 10 am. Cleanliness of pens and aisles must be maintained during Fair hours without obstructing the walkways. All animals will utilize designated bedding materials. Exhibitors must stall in assigned areas, no exceptions.

15. During the course of the North Idaho State Fair all animals are to be clean and well fitted for quality and fitting & showing classes. Only the exhibitors are allowed to do actual grooming of their project animals. Parents and leaders are urged to be present and provide support/assistance to the exhibitors. Sheep must be completely dry when weighing in. They may be washed after weigh-in, but must be dry when shown.

16. Use of any unauthorized drugs and/or tranquilizers in animals is strictly prohibited; withdrawal times for licensed products must be followed. All animals entered in the North Idaho State Fair are subject to testing. Should a violation occur, it will be dealt with according to procedures as listed on the 4-H Animal Entry Form.

17. The participant is on notice that the unauthorized use of drugs/tranquilizers may be a violation of state and/or federal statutes, and that the above sanctions by the Fair Board do not circumvent the prosecution of any individual violating state and/or federal laws.

18. All animals will be subject to a health inspection prior to the opening day of fair.

19. Extension reserves the right, in consultation with the Fair veterinarian and member’s family, to require the immediate removal of any 4-H animal from the grounds that exhibits a condition deemed detrimental to itself or other animal exhibits. All sheep and goats requiring Scrapie identification and beef/dairy cattle requiring Bangs vaccinations must be in compliance to exhibit. (see Idaho Livestock Exhibitors Reference Manual for more information)

20. It is mandatory to sell all Grand and Reserve Champion market stock. Other eligible market stock must also be sold, unless excluded at the time of Fair weigh-in on August 21. Only animals weighed and tagged during the Spring weigh-ins are eligible to be shown in any market animal classes; these tagged animals may not be entered as breeding projects that year.
AWARDS

21. The Danish award system will be used. All completed exhibits will be divided into three ribbon groups according to the quality of project work exhibited at the Fair. Blue ribbons indicate excellent work. Red ribbons indicate very good work. White ribbons indicate fairly good work. Incomplete exhibits will not receive awards or be displayed. The record book and project story is an important part of the exhibit and must be completed to receive premiums. Only completed exhibits receiving a blue ribbon will be eligible for top overall awards, which will be given at the judge’s discretion. Unless otherwise noted, premiums are: Blue: $5, Red: $3, and White: $1 plus Farm Bureau adds an additional $2 per 4-H premium.
