Fourth Quarter (Oct-Dec) 2017
Teresa’s Tid-Bit….

I just wanted to take a moment and welcome all of you to the new 2017-2018 4-H year! To kick things off, we are introducing a new quarterly newsletter. The four newsletters will be: October-December, January-March, April-May, and June-August.

Don’t miss the celebration at the 4-H Banquet and Recognition night on October 20th at the Fairgrounds. Find out who is the leader of the year, club of the year, and have a great time. This year will be a potluck so bring your favorite side dish to share! We will have fun, games, a costume contest, and a groovy dance floor for all to enjoy!

I can’t wait to get started up again this year so watch your email for announcements and updates!

Costume Contest

4-H Families and Leaders are invited and encouraged to attend the 2017 4-H Family Fun & Recognition Night, sponsored by Avista, on Friday, October 20th 2017 at the Fairgrounds in Building #1. Festivities start at 5:30 PM. The evening holds in store a dinner, fun entertainment, and games for the entire family. Reservations must be made by contacting the Extension Office (446-1680) or email to Kootenai@uidaho.edu by October 16th.
Thank You!

As we wrap up the 2017 4-H year, a sincere Thank You to all members, parents and leaders who worked diligently to make the year a great success. Without your commitment to the 4-H program and your acceptance of responsibility, and wonderful volunteerism, the many things that must happen to make the fair a success would not have been completed. We appreciate you and thank you for your dedication.

A special thank you to the 2017 Leaders’ Association Officers: Lee Hagen, President; Pat Cook, Vice President; and JoAnne Fortier, Treasurer. Your many hours of fine service are appreciated.

A great deal of time and effort was put into making the 2017 North Idaho State Fair a success.

Record Book Check Volunteers

A special thanks to the leaders who all took time out of their busy schedules to help in checking these record books for completion. As a group they did a big job and got it done in record time. Without these outstanding volunteers, record books would still be in the initial check process. Thank you so much crew!!!
Lost and Found

If you forgot any items during a 4-H event this past year, please contact the Extension Office. Lost and Found Items will also be available for pick up at our Oct. 20th event. Items that are not picked up in a before December will be donated or disposed of.

2017-2018 4-H Fees

For this new 4-H year the enrollment fees for cloverbud and traditional members will start at $20 with the additional fees for ATV and Horse members.

If for some reason there are members or families that can’t afford this fee, please let us know; scholarships may be available to supplement or cover their fees. *We do not want to ever turn a youth or family away from the 4-H experience because of financial reasons.*

Project Requirements

As you plan for next year, please remember that project requirements and exhibit standards are fully described in the *Kootenai/Shoshone County 4-H Project Requirements* - every Organizational Leader will receive a full copy and project leaders need to get requirements for the projects they are signed up to lead. These will also be posted on our Kootenai County Extension website (when it gets up and running) and at your 4-H Online family home page. Remember that our county project requirements are similar to the State level requirements, but there are slight variations that supersede the state version. There will be extra copies at the Extension Office or available electronically by request.

If all leaders, members, and parents review the project and exhibit requirements at the beginning of a project, then there shouldn’t be any problems when a project is submitted for exhibit at next year’s Fair. Remember -

- **All** projects have a record book!
- **All** record books include a story!
- **All** projects require a demonstration!
- **All** projects have an exhibit standard!

The Official Word

*Idaho 4-H Policies and Procedures* is the official publication for Idaho 4-H policies and procedures. It is revised and published biannually. The publication provides information on the vision and mission of Idaho 4-H and a variety of topics of interest to volunteer leaders. Topics include membership/age, 4-H code of conduct, use of the 4-H name and emblem, and liability coverage and grievance procedures. Copies are available at the Extension Office and on the Idaho 4-H web site.

Are you in 8th or 9th grade??

Like to have fun?

Ask your leaders or the Extension Office about the KYG project!
Idaho 4-H Volunteers Forum

The 2017 State 4-H Volunteers Forum will be held at the Red Lion in Pocatello, ID on November 3-4, 2017. Early bird registration is October 5th this year. Registration information is available on the state 4-H website. It should be a awesome experience with some great speakers and workshops! There are scholarships available to those who are attending a Volunteer Forum for the first time. Go to http://www.uidaho.edu/extension/4h/volunteers/events for more information.

Western Regional Volunteer Forum

The 2018 Western Regional Volunteer Forum will be held in San Diego, CA. The dates for this conference are March 1-4, 2018. More information will be available on this conference soon.

4-H Sign-up Night

4-H Sign-up Night for new members will be November 9th from 6:00 – 8:00 PM at the Fairgrounds in Building #3. Please let the Extension Office know if your club will be taking new members and if you would like to participate. If you know of anyone who might be interested in joining 4-H, this is a great way to get them started, so pass the word.

4-H Ambassador Summit

The 2017 4-H Ambassador Training is for youth who are freshmen or older, have at least two years 4-H experience, have attended a district teen retreat, and want to improve public speaking and leadership skills. This is also a great time for youth to meet other 4-Her’s from around the state and share ideas. Training will be held November 17th – 19th at Camp Ida-Haven in McCall. The cost of the training is $125, which includes all registration and transportation (a bus will be provided this year). Registrations for this training will be done through 4HOnline which means participants need to do their 4-H enrollments first. Registrations will be open from October 8 to November 1. As there are limited spaces registrations will be accepted on a first come first accepted basis. Chaperone volunteers who would like to attend also need to apply through 4HOnline and will need to pay $50 to cover lodging, meals and transportation (you get to ride the bus too). If you have any questions, please contact Teresa at the Extension Office.

Know Your Government

The 2018 Know Your Government Conference, Presidents Day Weekend in Boise, gives 8th and 9th grade 4-H’ers a chance to learn more about the government decision making process in their communities and state. Participants learn first hand how our state government and judicial system works; observe the legislative process in action; and meet with legislators, judges, and other elected officials. Members interested in attending can contact the Extension Office for more information. Note: KYG delegates from the 2017 conference who are now in the 9th grade and have completed “Exploring Citizenship, My Government” may apply to attend the conference again, provided they participate in a different workshop track.

National 4-H Conference

National 4-H Conference will be held in March 2018 in Washington, D.C. The Conference will involve more than 300 delegates in strategic planning for the future of 4-H. Delegates to the conference will meet in consulting groups to discuss plans for 4-H and the Cooperative Extension System as well as with officials from USDA and the National 4-H Council. Idaho normally sends up to 9 delegates and 1 chaperone. The delegation usually spends several extra days sightseeing. The cost of the trip is approximately $1,000 to members. Some scholarship assistance is available. Application materials will be available through 4-HOnline in October and are due by mid-November.

Citizenship Washington Focus

If you are 15-19 and interested in the 2018 trip to Washington D.C., the date to submit your interest form, which can be found on the Idaho 4-H website.
Upcoming Leader Meetings

Leaders’ Association meeting is scheduled for November 16th, 2017 at 7:00 PM. Among the items on the agenda are forming committees, preparing for upcoming events and the 2017-2018 Budget presentation. If you are a 4-H leader, parent or teen member and want to stay on top of what is going on and have some influence in the direction of the local 4-H program, you need to become involved in the related committees and attend these meetings.

Club Achievements

As the 4-H year comes to an end, each club is encouraged to hold a special activity. This is a great time to recognize achievements of members and leaders in a positive and fun way. Organizational Leaders may pick up recognition materials, including certificates, seals, pins, etc., at the Extension Office. Please remember to return any unused patches or year pins – Thank You!

Outstanding Bills

Any outstanding bills that need to be paid by the Leaders’ Association must be submitted no later than two months after the expenses were incurred. The books must be reconciled by September 30th. If you have any outstanding bills, please get them submitted as soon as possible. If you have any questions about a bill or an expense, call JoAnne Fortier at 667-5046.

Leader Training Requirements

As per District 1 policy, all leaders must participate in leader training each 4-H year. Only Extension-approved leaders (includes an approved enrollment and having completed training) are authorized to conduct meetings and sign record books. Only these approved leaders are covered by University of Idaho liability insurance.

All new volunteer 4-H leaders must attend a minimum of 3 hours of training. All experienced volunteer 4-H leaders (project, organizational, and middle management) must attend a minimum of 2 hours of training.

Training can be University of Idaho County Extension sponsored activities or other approved youth development, leadership, risk management or project topic classes. Leaders desiring training from other sources must contact Teresa Balderrama at the Extension Office for approval. Documentation must be submitted following the training to receive credit.

In complying with this policy, all Kootenai/Shoshone 4-H leaders are required to complete mandatory leader training by April 1st, 2018.

Organizational Leader Training

Organizational Leader training at the beginning of the 4-H year is designed to update Organizational Leaders on their responsibilities. It is also a good time to review procedures and visit about ideas and concerns that clubs and leaders might have.

At least one Organizational Leader from each club should plan to participate. There will be two training sessions on November 1st in preparation for the 2018 4-H year:

9:30 AM – 11:30 AM
6:30 PM – 8:30 PM

Please notify the Extension Office which session you plan to attend. Thanks.
Sign up to get reminder texts sent to your phone for meetings, events, and announcements. Just call the extension office and add your cell number to the text list for the following groups:

- Horse Leaders
- Livestock Leaders
- Leaders Association
- Dog Leaders

Livestock Leaders
The Livestock Leaders next scheduled meeting is November 8th at 7:00 PM. They will be holding elections as well as discussing upcoming events, priorities and leader training opportunities for the 2018 year. The January meeting will include 2 hours of leader training.

Pick Up Your Pictures
We have Livestock fair pictures here at the Extension Office that need to be picked up. If you had a market animal that went through the Stock Sale, you get a copy of your picture. If you did not pick it up at fair come on down and get your copy.

Buying Animals and COOL
As you purchase animals for your 2017-2018 4-H projects, remember that you need to get documentation on where they were born and where they have been raised. We have a sample “Bill of Sale” form here at the Extension Office that you may want to use. Also remember that all cattle need brand inspections and that all animals crossing state lines need health certificates at the time of purchase. It is your responsibility to make sure you are in compliance with state and federal laws.

Get yours at the Extension Office
Through the work of generous donors and supportive community members, the 4-H Booster club received additional funding to further support those members who received rosettes in their market animal quality classes and all livestock fitting and showing classes. If you would like to show them your thanks, letters can be sent to the Extension Office and we will pass them on to those who supported this effort.

I would also like to recognize the Kootenai/Shoshone Farm Bureau who choose to add $2 to each ribbon received by the 4-H members at the North Idaho Fair. Letters can be sent to: 6912 N Government Way, Dalton Gardens, ID 83815-8747.
