Barn in the USA! As you are getting ready for fair, be sure to look at the 4-H schedule in August. There are many changes. Be sure to watch your email for updates and information. If you have any questions about any changes this year, be sure to ask. I have also been posting 4-H activities as events on our Facebook page. If you are active on Facebook, be sure to “like” our page: Kootenai Shoshone 4-H program.

This year we will be using the online Fair Entry option again. After July 1st, simply log onto Fairentry.com, and use your 4HOnline profile to sign in. Be sure to follow the instructions carefully, it is easy to submit your entries before you have entered all 4-H members in your family. As always, call us if you have questions and we will have a computer available at the extension office if you have no access to the internet at home.

Last of all, if you are selling a market animal this year you need to attend a Quality assurance training session or complete the training online (there is a fee for the online class). There are only a few classes left, so be sure to attend!

Teresa Balderrama
4-H Program Coordinator

If you are planning on selling any livestock this year at fair, you must attend one of the last two Quality Assurance trainings. They will be held at the Extension Office and will last approximately an hour and a half. To sign up call Carly at the Extension office, 208-446-1680.

Hello Everyone! I am so excited to join the Kootenai/Shoshone 4-H Extension family. I look forward to meeting all of you. I grew up in St. Maries and was able to be a part of their 4-H program for seven wonderful years. My leader, Rhonda Amy, introduced me to many intriguing projects; including Market Beef, Breeding Beef, Veterinary Science, Leadership, and at one point Horse 4-H. I have gained amazing experiences from each of these projects.

I currently attend the University of Idaho to pursue a degree in Agriculture Education and Extension. I participate in the Block and Bridle Club, Student Idaho Cattle Association, CFFA, and the Sigma Alpha Sorority. After I graduate, I am undecided whether I will become a teacher of Agriculture or an Extension Educator. I am excited to be chosen to work for the Kootenai County summer internship. I look forward to gaining new friendships and exciting experiences with all of you!

Do you need helpful reminders for 4-H events, deadlines, etc.?!? If you do, sign up for the “Remind Texting App”. Stop by the office or send Teresa or Carly an email to get your name added to the list.

2017-2018 Fair Entry

Once again we will be using the Fair Entry System to enter projects into fair. You will receive an email when the enrollment is open with instructions of how to do so.

The Official Word

Idaho 4-H Policies and Procedures is the official publication for Idaho 4-H policies and procedures. It is revised and published biannually. The publication provides information on the vision and mission of Idaho 4-H and a variety of topics of interest to volunteer leaders. Topics include membership/age, 4-H code of conduct, use of the 4-H name and emblem, and liability coverage and grievance procedures. Copies are available at the Extension Office and on the Idaho 4-H web site.

Project Requirements

As you plan for next year, please remember that project requirements and exhibit standards are fully described in the Kootenai/Shoshone County 4-H Project Requirements - every Organizational Leader will receive a full copy and project leaders need to get requirements for the projects they are signed up to lead. These will also be posted on our Kootenai County Extension website (when it gets up and running) and at your 4-H Online family home page. Remember that our county project requirements are similar to the State level requirements, but there are slight variations that supersede the state version. There will be extra copies at the Extension Office or available electronically by request.

If all leaders, members, and parents review the project and exhibit requirements at the beginning of a project, then there shouldn’t be any problems when a project is submitted for exhibit at next year’s Fair.

Remember -

All projects have a record book or portfolio!
All record books include a story!
All projects require a demonstration!
All projects have an exhibit standard!

The schedule for the fair food booth will be sent out soon. Please be sure to get with your club organizational leader to volunteer and work a shift at the fair this year. You will get a ticket for a one day admission into the fair!
**Fair Set UP**
This year, our barn set up will look a lot different. Now that we have our own hog panels, we can arrange to set our barns earlier and make fair time a little less hectic! Watch for updates in your email for dates and times.

We will be using the fair entry online entry again to enter all 4-H projects into the fair this year. You can begin to make these entries on July 1st and the deadline is July 31st. There will be a $5.00 stalling fee for all livestock entries.

**Small Animal Council**
August 6th at 6 PM @ Extension Office

**Livestock Leaders**
The Livestock Leaders next scheduled meeting is **July 11th** at 7:00 PM. There will be a stock sale committee meeting at 6:30 PM.

**Buying Animals and COOL**
As you purchase animals for your 2017-2018 4-H projects, remember that you need to get documentation on where they were born and where they have been raised. We have a sample “Bill of Sale” form here at the Extension Office that you may want to use. Also remember that all cattle need brand inspections and that all animals crossing state lines need health certificates at the time of purchase. **It is your responsibility to make sure you are in compliance with state and federal laws.**

Help Needed
Horse Leaders: We are looking for help this next summer with shows, clinics, and more. If you can volunteer your time when you are at the shows please let us know. We would love the extra help this summer!

4-H Horse Shows
Pre-Show - is an opportunity for members to practice and prepare for the County Horse Show. This is judged using the American system. This show will be on July 12th at the Fairgrounds in the North Arena. Entries are due on July 9th with no day of entry or class changes.
County Show - is the Horse equivalent to Fair. This is judged using the Danish system, with top 4 recognition. This show will be held on July 20-22 at the Fairgrounds North Arena. Entries are due on July 9th with no day of entry or class changes.
Other approved 4-H Horse Shows include Helping Hands and the Poor Boy Horse Show.

County Horse Expectations
In addition to your club and project meetings and activities, each horse member needs to complete the following:
- Participate in at least 1 County Activity (Horse Bowl, Oral Presentations, Hippology or Horse Judging)
- Have ID’s for any horse you may use in 4-H completed by April 1st
- Give an Oral Presentation at they club level or above
- Exhibit in a 4-H Horse Show (or other pre-approved horse show)
- Submit a completed Record book and other required forms by the last business day of September

Horse Record Books
Members must submit a completed Horse Record book to their leader prior to August 7th. Leaders will need to bring all completed record books to the Extension Office for the record book check. We will need all hands on deck at the Record book check, as we will be reviewing the record books at that time.
Dog Leader Meeting

The July Dog leaders will meet on Monday, **July 9th** at 6:00 PM, Extension Office. We will be finalizing things for the Dog Show.
