Latah County Family Horse Camp 2021

The Latah County Family Horse Camp will be held at the Pony Club grounds in Deary, ID. As a county we are providing this unique horse camp experience for local horse enthusiasts. It is an opportunity for youth, leaders, parents, friends and family to share a great learning experience in a fun and safe environment. Different classes are offered each day, along with crafts, lectures and evening entertainment.

General Information

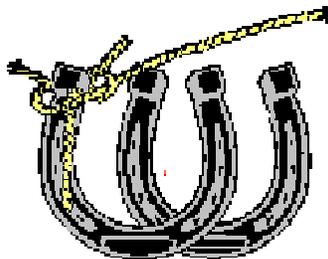

The horse camp is open to all area 4-H horse members, leaders, parents and local horse enthusiasts. The camp riding slots will be filled with preference given to Latah County 4-H horse members.

Each registered rider must bring a healthy horse that is in good physical shape and able to withstand four days of continual riding. No other horses are allowed on the grounds without approval of the camp planning committee. All horses must be current on vaccinations and should have proper hoof care before entering the camp, shoes are recommended.

Riders will be divided into groups according to skill level and they will keep these same groups throughout their camp experience. Classes will vary each day but may include up to five riding classes, a craft, a lecture and some free time.

Adult Riders and Non-riding Chaperones

Adults and family members are welcome to attend the 4-H horse camp as paid riders or paid non-riders/chaperones. This entitles them to activities and meals. Non-riders are welcome to watch and learn from all riding classes.

Chaperones

Chaperones are required for all youth under the age of 18. It will be the chaperone's duty to assist youth with their horses, getting ready for classes, following safety rules and supervising them until lights out is called at night. All youth must have a chaperone and no chaperone will be responsible for more than four youth.

Chaperones are welcome to split the chaperone duty. The horse camp committee MUST be notified before the camp begins if a youth will have different chaperones throughout camp. All chaperones must register and be approved by the youth's parent(s) and the horse camp committee.

Registration

ALL participants attending the Latah County Family Horse Camp MUST submit the following:

- 
1. University of Idaho 4-H Horse Program Registration / Permission / Waiver
 2. The appropriate fees
 3. Rider Application, signed rules and protocol pages
 4. Chaperone's Application must be submitted with the rider's application if the rider is under 18.
 5. Camper or Tent Registration and Fee

Completed applications are due by July 01, 2021

Registrations received after the deadline will be set aside and considered only if vacancies exist. If applications exceed the limited number of riding slots, clubs within Latah County will be allotted spots based on the number of 4-H members enrolled in that club. After a club has filled their allotted spaces, excess registrations from that club will be placed on a waiting list. Vacant slots will be filled from the list based on the date the application was received. If vacant slots still exist, they will be filled by 4-H horse members applying from outside Latah County on a lottery basis. Any remaining slots will be open to area horse enthusiasts.

Registration forms will only be accepted when all required information and signatures are in place and all camp fees are submitted. **This will be strictly enforced.**

A chaperone's name MUST be on a member's registration form as well as that chaperone's completed registration and fees turned in.

If a youth CANNOT find a chaperone, please call one of the camp committee leaders and we will assist you if at all possible. It is our goal to have parents involved with their children at the camp, and we strongly encourage parents to chaperone their own children.

If a registration form is found to be incomplete, it will not be considered as submitted and that person will be notified so that they may complete the form and re-apply.

All signed forms are kept confidential and will be used only in the case of an emergency.

We ask that all participants in the horse camp follow these rules and protocols to make this the best possible learning experience for everyone involved.

Food

Eleven meals are provided for all paid camp participants.

That will include the following:

*breakfast for four days – Thursday, Friday, Saturday, and Sunday

*lunch for four days – Thursday, Friday, Saturday, and Sunday

*dinner for three days – Thursday, Friday and Saturday

Hot and cold beverages will be available at all times (not pop).

Camp participants need to bring their own snacks for between meals, if needed. Silverware, cups and plates will be provided for all meals. Everyone is encouraged to bring a personalized water bottle to minimize the use of disposable cups and to keep water handy for each youth that is riding.

Meal Preparation and Serving

All riders in the camp are **REQUIRED** to show up for all meals. Announcements will be made at these meals and it is important for all to be present. All riders will take turns helping in the cook shack where they will be responsible for setting up for meals and cleaning up afterwards. This schedule will be posted along with the camp rules outside the cook shack. Chaperones are responsible for getting all youth in their care to their respective duties on time.

Camp Operations

The camp facilities offer a wonderful eating and craft area, great individual pens for the horses, miles of trail riding, and multiple arenas for our use. They do not, however, offer individual stalls for the people. Therefore, it is suggested that you bring your own tent, camper, horse trailer, or whatever you wish to sleep in. There are no electrical or water hookups. However, shower facilities are available on the grounds. Water for the horses and people will be provided.

Everyone should try to leave as minimal an impact on their camping site as possible. Multiple trash cans are provided, and chaperones need to help their youth keep areas clean. **Pens for the horses will need to be cleaned and checked before any rider leaves the camp on Sunday.**

Horses are to be put into stalls when not being ridden. No horses are to be around the cooking area, craft area, or camping areas.

Dogs will be allowed on the grounds during horse camp, with PRIOR written approval from the camp committee. Dogs must be on a leash at all times. Bicycles, strollers, etc. are not encouraged, as they do not mix well with horses.

In the Event of an Emergency

Latah County 4-H Horse Camp Committee members will post in a designated location the phone numbers for local Emergency Medical Service (EMS), police, fire department and veterinarian, the name and phone number of the nearest hospital with directions to that facility, directions to the location of the event for EMS.

Each member of the horse camp committee should be aware of the location of emergency personnel on the grounds, emergency phone numbers, and the location of local emergency medical facilities.

This information will also be posted at the cook shack, along with specific meal work assignments. There will be a mandatory safety check of your tack.
