

4-H Horse Information

Name: _____

Club: _____

According to State 4-H Guidelines, 4-H members are to “declare” their project horse 100 days before the County Fair. Lemhi County is encouraging you to declare your horse(s) at sign-up. **The final date to declare the specific horse project areas and horse(s) is May 1.** If you need to change horse(s), you will need to make that request through the 4-H Horse Leader’s committee. They meet on a monthly basis. Horse project areas include:

- General 4-H Horse
- Working Ranch Horse
- Green Horse – Level A
- Green Horse – Level B
- Driving

Contact your 4-H leader or the Extension Office for a full description of each of the project areas.

Please complete the following for each project area you will be participating in.

Project Area	Horse’s Name	Color	Age	Markings
