

Madison County 4-H & FFA Junior Livestock Auction

"We are honored and excited to provide this important opportunity for our local youth. Youth from Madison County are coming together for the same purpose: to do their absolute best and to be recognized for their amazing efforts" (Todd Smith, Madison County Commissioner)

The Madison County Fair is a long-standing tradition in our area. We are excited to see the continued growth in our livestock programs. As with the youth of the past, our youth today are taking on the responsibility of buying, raising, showing, and finally selling livestock projects in the county fair. Along the way they are gaining valuable life skills such as responsibility, money management, sacrifice, and leadership. During this process they are working toward a goal, such as college savings. These are the youth of our future. They will lead our community into the future and all that it holds.

The Madison County Fair is holding its annual **4-H and FFA Jr. Livestock Auction on August 17, 2024 at 9:00 am** (preview & breakfast 8:30 am). Local businesses, fairgoers, and supporters will have the opportunity to purchase steers, lambs, hogs, chickens, rabbits, and goats that are generally considered to be of higher quality because of the individual attention it receives from the youth.

This is the time we invite local businesses to come and support our local youth. It is a great way to show your appreciation to your customers for their support of your business and show the youth we are proud of the responsibility they have taken on to help build their future as a leader in our community and country.

We invite you to come and join us at the auction. The buyer's breakfast, animal preview, and buyer registration begin at 8:30 am. If you pre-register you only need to pick up your pre-printed buyer number. We look forward to seeing you then. **If you are unable to attend, please consider calling the committee ahead and using our proxy bidders to support/buy at the auction (form on the opposite side).**
