☐ Sandpoint (Saturday, December 1, 2018)
Return to: University of Idaho Extension - Bonner County Office, 4205 N. Boyer, Sandpoint, ID 83864.
Phone: (208) 263-8511.

In compliance with the Americans with Disabilities Act of 1990, those requesting reasonable accommodations need to contact Jennifer Jensen (208-263-8511) at least one week prior to this program.
Turning Idaho Trees into Wreaths

Wreaths provide a beautiful decoration for the winter season. Learn to make a fresh wreath using native evergreen boughs. Many of Idaho's native evergreen trees provide the perfect material for creating evergreen wreaths. Jennifer Jensen, UI Extension Educator, will discuss several methods of making wreaths. She will demonstrate how to create a wreath using a box wreath frame and then assist you in making your own wreath.

Supplies provided include a 12-inch wreath frame, wire, and a selection of native evergreen boughs. There may also be a selection of pine cones for decorations.

Plan to bring any special bows or ornaments you wish to add. Please also bring pruning shears and gloves.

Turning Idaho Trees into Wreaths will be held in Sandpoint, on Friday, December 1st, 2018, from 1 pm to 3 pm at the UI Sandpoint Organic Agriculture Center (located at 10881 N Boyer Road).

Identifying Idaho's Trees...

This wreath making workshop will be preceded by a morning workshop at the same site on identifying native trees. Registration for that program is separate and available online at "www.uidaho.edu/extension/forestry/programs" or through the UI Extension Office in Bonner County (contact info on this flyer's registration pane).

To ensure an effective learning environment, this session is limited to 40 participants. Please return the registration form on the back of this flyer as soon as possible to assure your place and help us plan. A $10 registration fee includes supplies and refreshments. For registration questions, contact the University of Idaho Extension Office in Bonner County at (208) 263-8511.
