Money Skills for Life

Captain Shortsite has an offer too good to refuse: Join his crew and you can gain vast riches and see the world. But a pirate life is often full of perils like storms and accidents that may threaten morale and gold savings. In this instructor-friendly group presentation, students will use a worksheet to make their own buying and saving decisions and experience the consequences of saving too much or too little.

Program Features

- Engaging board-game style group play with vibrant visuals.
- Designed for children ages 10-16.
- Students learn to balance savings with daily needs.
- Free to Download www.uidaho.edu/nw-youth-financial-ed
