LEAP Update 2023

Nearly 2,000 Idaho loggers have taken the 3-day University of Idaho Extension program on forest ecology, silviculture, and water quality titled *Logger Education to Advance Professionalism* or “LEAP”. Flyers for 2023 LEAP sessions (April 4-6, 2023 in Post Falls or April 18-20, in Moscow) will be available at your local UI Extension office or at www.uidaho.edu/extension/forestry.

LEAP Update is an annual opportunity for loggers to build on LEAP with in-depth training on forestry topics. The program also helps loggers meet Idaho Pro-Logger BMP training and continuing education requirements. For more information on the Idaho Pro-Logger program and credit requirements, contact the Associated Logging Contractors of Idaho (ALC) at (208) 667-6473.

The program is also eligible for Society of American Foresters CFE credits - for information contact Audra Cochran at (208) 937-2311.

Check-in for each of these sessions will open at 7:15 am. The program will begin at 8:00 am and end at 3:30 pm, with morning and afternoon breaks, and a catered lunch (sponsored by Associated Logging Contractors of Idaho).
