In compliance with the Americans with Disabilities Act of 1990, those requesting reasonable accommodations need to contact Randy Brooks (Phone: 208-885-6356) or Chris Schnepf (Phone: 208-446-1680) at least one week prior to any of these programs.
Over 1,700 Idaho loggers have taken the 3-day University of Idaho Extension program on forest ecology, silviculture, and water quality titled "Logger Education to Advance Professionalism or 'LEAP'." Flyers for 2020 LEAP sessions (April 21-23 in Moscow or April 28-30 in Coeur d'Alene) are available at your local UI Extension office or at www.uidaho.edu/extension/forestry.

LEAP Update is an annual opportunity for loggers to build on LEAP with in-depth training on forestry topics. The program also helps loggers meet Idaho Pro-Logger BMP training and continuing education requirements. For more information on the Idaho Pro-Logger program and credit requirements, contact the Associated Logging Contractors of Idaho (ALC) at (208) 667-6473.

The program is also eligible for Society of American Foresters CFE credits - for information contact Chris Schnepf at (208) 446-1680.

Check-in for each of these sessions will open at 7:15 am. The program will begin at 8:00 am and end at 3:30 pm, with morning and afternoon breaks, and a catered lunch (sponsored by Associated Logging Contractors of Idaho).
