	EDCI 463 Literacy Methods for Content Learning (EDCI 302 or MUST 383)	3		AGED 471 (S) Capstone Experience in Agricultural Education (AGED 470, AGED 460, 461)	2
	ASM 407 (F) Advanced Welding	1			
	ELECTIVE PLSC/Horticulture	3			
	TOTAL CREDITS	14		TOTAL CREDITS	18

COURSE # Course Name (Prerequisites, Co-Requisites)

F = FALL, S = SPRING

AGRICULTURAL EDUCATION

Teach the next generation of leaders in agriculture as an agricultural educator. Explore teaching methods, learn how to plan curriculum, manage a classroom, and supervise out-of-classroom learning programs. Gain hands-on experience with local teachers and at on-campus animal centers, greenhouses and farms.

Career Options

- High School Agriculture Teacher
- Career/Technical Education Teacher
- Extension Educator
- Agricultural Consultant

Our graduates are located throughout the Northwest at remote high schools with a single teacher and in districts with as many as 13 agriculture teachers. Students gain experience as student teachers in Idaho, Montana, Washington, Oregon, California and Alaska.

Fast Facts

- Help facilitate local, state and national FFA events.
- Attend agriculture teacher conferences.
- Complete a supervised agricultural experience and apply for your American FFA degree.
- Conduct an undergraduate research project.
- We are the only ag teacher preparation program in Idaho.
- Named the 2018 Region I Outstanding Postsecondary Agriculture Program by the National Association of Agricultural Educators.
