

# Have you heard the bees are in trouble?

Washington State University and the University of Idaho are coming together to host a family-friendly workshop on the pollinators on the Palouse!

Come learn about the status of pollinators in our area, as well as ways you can help make your property more pollinator-friendly!

Ticket purchase includes a hands-on experience for you and your family to create a "bee hotel" to help provide nesting habitat for the native bees!

Purchase of one ticket can include up to 5 participants, but includes only one bee hotel, so if you want to make more than 1 bee hotel, please purchase accordingly.

**May 4th from 2-4pm at the Palouse-Clearwater  
Environmental Institute in Moscow, ID**

**Tickets for purchase in the online  
WSU Entomology Store at:  
<https://store.entomology.cahnrs.wsu.edu/solitary-bee-hotel-workshop>**
