

# EVENT SCHEDULE:

## THURSDAY | July 22

### 7:00 p.m. Evening Welcome and Dessert Social

#### McCall Field Campus

Bring your family and connect with other alumni and friends. Grab a dessert bag at the dining lodge and enjoy a summer evening on campus.

## FRIDAY | July 23

### 11:00 a.m. Keynote Speakers and Announcements

#### McCall Field Campus, Dining Hall Deck

Join us in acknowledging the history of the campus, stories from CNR leadership and an exciting announcement from President Green.

### 11:30 a.m. Lunch

#### Ponderosa State Park, Pavilion

Enjoy a casual buffet-style picnic.

### 1:30 – 4:30 p.m. McCall Field Campus Exploration

#### Activities throughout the McCall Field Campus

We're excited to host our alumni and friends with some opportunities to enjoy and explore this incredible setting. Sign up for canoe tours or easy and advanced hikes in Ponderosa State Park. Lounge by the lake, record your favorite story about your time at McCall Field Campus and explore the many campus buildings.

### 6:30 p.m. Dinner and Social

#### Ponderosa State Park, Pavilion and McCall Field Campus

Featuring Campfire eats and the sounds of McCall's finest musicians; all who have their own McCall Field Campus and MOSS stories to share.

## SATURDAY | July 24

### At Your Leisure

Explore all that the City of McCall has to offer!  
The McCall Field Campus will be open in the morning.

# McCALL REUNION

## JULY 22-24 2021

*Thank you for joining us along with other alumni, stakeholders, and community members as we celebrate the history of University of Idaho's programming in McCall and envision the future of the campus.*

*With Gratitude,  
Dennis '02 and Karla '03, '07*

## FUN FACTS

## Student Numbers:

- » June 1940 – First University of Idaho programming occurs at McCall Field Campus, Payette Lake, McCall, ID
- » Forestry Summer Camp alumni include: Dale Bosworth (former Chief of the Forest Service), Senator Jim Risch, and Dr. Philip Habib, ambassador, nominee for the Nobel Peace Prize.
- » 2001 – McCall Outdoor Science School (MOSS) begins, with an initial class of 35 students attending one week program
- » MOSS is Idaho's only publicly operated K-12 outdoor school with a mission for place based, collaborative scientific inquiry within the context of Idaho's land, water and communities
- » K-12: 2,500+ annually through MOSS program (over 40,000 students served to date)
- » Undergraduate: 125+ annually (forestry and other)
- » Graduate: 24+ annually
- » Professional: 100+ Idaho teachers through education/professional development programs
- » In 2020- 2021 MOSS collaborated with the McCall-Donnelly School District to create a local Day Program to serve students and families with programming during the COVID pandemic.
