Courses Developed: Workshops, Seminars, etc. (offered annually or bi-annually):

- South Idaho Forestry Field Day and Stewardship Tour. (organized, moderated, presented). 2014.
- Latah County Forest Stewardship Tour (organized, moderated, presented). Annually since 2013.
- UI Experimental Forest Field Day (co-organized w. Keefe). Princeton, ID. Annually since 2013.
- Safely Using Herbicides in Forestry (co-organized, presented). Coeur d'Alene, ID. Annually since 2013.
- Plant Your Seedlings Properly. (organized, moderated, presented). Moscow, ID. Annually since 2013.
- Current Topics in Forest Health (organized, moderated, presented). Orofino, ID. Annually, 2nd Thursday in December since 1997.
- Forestry Shortcourse (six, three-hour sessions) (organized, moderated, and presented on: Forest Management Planning, Forest Ecology and Structure, Forest Insects & Disease, Silviculture, Forest Wildlife Habitat, Forest Recreation and Other Forest Resources, Planning Forest Activities, Forest Management Goal Setting, & Economics and Keeping Records - roughly 13 hours). Semi-Annually.
- Growing Superior Tree Seed. Presented on: "Cultural Methods to Stimulate Cone Production", Moscow, ID. August 2003. Offered in north central Idaho bi-annually.
- Measuring Your Trees. (organized and presented). Offered annually in north-central Idaho. 2009-present.
- Forest Insects & Disease Field Day (co-organized and co-presented). Annually in various north central Idaho locations from 1998-present.
- Thinning & Pruning Field Day (organized and presented) Bi-annually from 1998-present in various north

central Idaho locations.

LEAP (Logger Education to Advance Professionalism) (three-day program: organized, moderated, presented 1 day on water quality, riparian areas, soils, and road building and led field exercises). Annually from 1997-present- in various north central Idaho locations.

LEAP Update (1.5 day program: co-organized, moderated, presented). Annually from 2004-present- in various north central Idaho locations.

Scaling and Marketing Private Timber (co-organized, moderated, presented on: "Professional Forestry Assistance" and "Increasing Timber Sale Profits"). Annually from 1997-present in various north central Idaho locations.

An Introduction to Conservation Easements (organized, moderated, presented on conservation easements) Offered annually since 2004 (4 sessions) in various north central Idaho locations.

Upper Clearwater Master Gardeners Program (co-organized, moderated, and presented on soils and fertilizers, pesticide safety, and pruning trees and shrubs.). Eleven, three hour sessions on various topics related to horticulture, gardening, etc). Bi-annually in north central Idaho since 1997. (8 sessions).

Pasture Management Workshop (co-organized, moderated, and presented on soil management). Two, three hour sessions on pasture management. Annually in north central Idaho since 2004. (8 sessions).

Upper Clearwater Farm and Forest Fair (co-organized, moderated, and presented on forestry issues). 2 day, 10 session fair on forestry and agriculture oriented to 5th grade students and teachers in north central Idaho. Offered annually since 1997. (14 sessions).

Using Your GPS Unit (co-organized, moderated, and presented). Eight hours (4 hr. class room & 4 hr field session) on using GPS units. Offered annually in north central Idaho since 2006. (11 sessions).

Clearwater County Sixth Grade Forest and Natural Resources Tour (organized, directed, moderated, and presented on water quality). 3 day, 2 night camp and field tour of forestry and natural resource topics. Annually at Headquarters, ID, since 1996. (16 sessions).

CLLN 4-H Camp (co-organized, moderated, presented a class). Offered annually to Clearwater, Latah, Lewis, and Nezperce County 4-H members. Held at Camp Wooten, Dayton, WA. Annually, 3rd weekend in July.

Clearwater County 4-H Market Animal Weigh-In Workshops. Organize, moderate, and present on market animal topics. 3 workshops for beef, swine, and sheep species. Annually since 1996. (42 sessions).
