PAYMENT: Payable to University of Idaho, Bursar; remit payment to MOSS ATTN: Sacha Jackson, PO Box 1025, McCall, ID 83638

COURSE DESCRIPTION
Whether spending time in the backcountry is your passion or your profession, you should never have to ask, “What do I do now?” Prepare for the unexpected with this fun, hands-on introduction to wilderness medicine. If you like to take short trips relatively close to medical resources, work at camps or lead wilderness trips, enjoy weekend family outdoor activities, or recreate outdoors, this course is for you.

You’ll learn the Patient Assessment System, how to provide effective first aid treatments for injuries and illnesses common in the outdoors, how to manage environmental emergencies, and how to make appropriate evacuation decisions. You will spend half your time practicing skills and participating in realistic scenarios. NOLS Wilderness Medicine’s course is approved by such organizations as the American Camp Association, the United States Coast Guard, and other state as well as federal agencies.

Upon successful course completion, you will earn the following NOLS Wilderness Medicine certifications: Wilderness First Aid, Epinephrine Auto-injector, and Adult and Child CPR & Airway Management.

CLASS FORMAT AND PERSONAL PREPAREDNESS
Check in is 12:45 p.m. on the first day. With the exception of Day 1, course days run from 8:00 a.m. to 5:00 p.m. The class format is classroom lectures integrated with practical scenarios, case studies, and skills practice sessions. Attendance is required at all classes. Scenarios and practice sessions will take place both inside and outside. Bring outdoor clothing appropriate for lying on the potentially wet, snowy, or cold ground playing the role of both rescuer and patient. Frequently stage (moulage) blood and make-up are used to enhance the realism of a scenario.

PACKING CHECKLIST
✓ Notebook and pencil or pen
✓ Watch that has seconds
✓ Sunglasses and hat
✓ Water bottle
✓ Light day pack
✓ Waterproof outerwear top and bottom
✓ Light hiking boots or sturdy shoes
✓ Clothing layers that allow you to be comfortable in a variety of weather conditions
✓ Slippers or comfortable shoes for classroom time (optional)
✓ Camp chair for classroom time (optional)
COURSE OUTLINE can be found here: [https://nols.edu/en/coursefinder/courses/wilderness-first-aid-WFA](https://nols.edu/en/coursefinder/courses/wilderness-first-aid-WFA)

WAFA/ WFR/ WEMT RECERTIFICATION REQUIREMENTS
NOLS Wilderness Medicine certification holders may take a Wilderness First Aid (WFA) course to recertify a WAFA, WFR or WEMT certification. Certification holders from other wilderness medicine training organizations cannot recertify through a Wilderness First Aid course.

NOLS Wilderness Medicine certifications will be afforded a one-year period after expiration within which to recertify. You should bring your certification card to the course so the instructor can verify the expiration date. For more information please visit our recertification policy at the following link: [https://nols.edu/en/courses/wilderness-medicine/recertify/](https://nols.edu/en/courses/wilderness-medicine/recertify/)

The Wilderness First Aid (WFA) course is an introductory course for individuals with no prior knowledge and generally does not include CPR.

The preferred way to recertify your certification is to enroll in a Wilderness First Responder Recertification course (WFR-R), or through our Hybrid WFR Recertification course, which adds an online component in addition to traditional scenarios and skills.

These courses are specifically designed for students needing recertification. You can find more information at the links below.

You will be required to pass both a written and a practical test. Check the following web page for information and resources on how to best prepare for your course. [https://nols.edu/en/resources/wilderness-medicine-resources/](https://nols.edu/en/resources/wilderness-medicine-resources/)

REGISTRATION
Tuition payment in full is required to reserve your spot in the course. You can pay by calling Sacha in the McCall Outdoor Science School office with credit card information (we accept Visa or MasterCard) or by mailing a check - payable to Bursar, University of Idaho and remit to MOSS ATTN: Sacha, PO Box 1025, McCall, ID 8363

The tuition fee includes instruction, handouts, a field pocket-guide, equipment use, and certification.

CANCELLATION & REFUND POLICY
A full refund will be given if the McCall Outdoor Science School needs to cancel the course for any reason. If you cancel or withdraw from a course:
- Greater than or equal to 45 days prior to the course start date, the McCall Outdoor Science School will retain a $50.00 administrative fee. The remainder of tuition collected to date will be refunded.
- Within 45 days of the course start date, tuition is non-refundable and non-transferable.
- Once the course begins, no refunds will be awarded. All course registrations are non-transferable.

If you are a minor, a parent or guardian must sign the Student Agreement and you will bring it with you to the first day of the course. If you are not a minor, you can read/sign/bring the Agreement with you or read/sign on the first day of the course. Without a signed document, you cannot participate in the course.

NOLS Wilderness Medicine participants, including minors, will have unsupervised free time throughout the course. Any activities during the free time are not part of the NOLS Wilderness Medicine program and are at the sole risk of the participant.
COLLEGE CREDIT
The WFA course is pre-approved for 0.5 semester hour credits through Western State Colorado University (WSCU) for an additional cost of $60. Thirty days prior to the NOLS Wilderness Medicine course, interested students must initiate registration and payment for credit by requesting an enrollment form for WSCU from NOLS Wilderness Medicine.

The WFA course is pre-approved for one semester hour credit through the University of Utah for an additional cost of $95. If you are interested in receiving college credit, please ask your instructors on the first day of class for the necessary information.

TRAVEL/DIRECTIONS
The McCall Field Campus is located on the shores of Payette Lake, inside Ponderosa State Park, about 1.5 miles (2.4 km) north of McCall, Idaho. McCall can be reached heading south via State Highway 55 from New Meadows, Idaho, and reached by heading north on Highway 55 from Boise. Turn east on Railroad Ave; turn left at the second stop sign on Davis; go through the stop sign on Lick Creek and drive into the park; go through the kiosk (stop and tell the PSP employee that you are coming here); and you will see our driveway on the left.

LODGING/MEALS
Lodging is available beginning Thursday, August 16 and ending Sunday, August 19. The lodging facilities are bunkhouse units and space may be shared with up to seven others. Bring bedding, linens and toiletries with you; bottom sheets are provided.

Meals begin with Dinner on Friday, August 17 and end with lunch on Sunday, August 19. Meals are 30 minutes long; be sure to arrive in the first 10 minutes to ensure someone doesn’t get seconds before you get firsts! We serve one main entree with sides and a yogurt/fruit or salad bar. We are happy to accommodate allergies, vegetarians and special meal requests. Contact us to discuss your specific meal needs.

We do not have onsite camping or RV options. Pets are not allowed on campus.
