DATES FOR INTERNSHIP

The University of Idaho teaching internship (student teaching) placement consists of a semester-long program. The specific starting and ending dates may vary depending on the expectations of the school district where the student intern is placed. Student interns will follow the school district calendar and not the University of Idaho calendar. It is possible that the student intern may be expected to complete the internship after the graduation date. The standard semester internship consists of 16 weeks.

STUDENT INTERN: ________________________________

School District: ________________________________

School: ________________________________

MENTOR TEACHER: ________________________________

Starting date for internship: ________________________________

Ending date for internship: ________________________________

_________________________ ____________________________
